## MEDICAL PRACTICE LAWS OF MICHIGAN

Act No. 237, Public Acts of 1899, Amended by Act No. 191, of 1903, Act No. 56, of 1905, Act No. 161, of 1905, Act No. 207, of 1905, Act No. 164, of 1907, Act No. 95, of 1913.

### As Act

To Provide for the Examination, Regulation, Licensing and Registration of Physicians and Surgeons, and for the Punishment of Offenders Against this Act, and to Repeal Acts and Parts of Acts in Conflict Therewith.

The people of the state of Michigan enact:

Section 1. BOARD OF REGISTRATION; APPOINTMENT; QUALIFICATION: That the governor shall appoint, by and with the advice and consent of the senate, ten resident electors of the state, who shall constitute a Board of Registration in Medicine. Not more than five of the persons so appointed shall be from the school of medicine known as regular; not more than two persons so appointed shall be from the school of medicine known as homeopathic; not more than two of the persons so appointed shall be from the school of medicine known as eclectic; and not more than one of the persons so appointed shall be from the school of medicine known as physio-medical, and the governor may select such appointees from the latest lists filed in the office of the secretary of state at Lansing by each of the four legally incorporated state medical societies of the schools of medicine as herein mentioned aforesaid, such lists to be certified to under oath of the president and secretary of each society, respectively, and such lists to contain at least treble the number of names as each society has representatives on the board. But in the event that one or more of the societies above named, through their presidents or secretaries, shall from any cause neglect, omit or refuse to file as aforesaid, such lists or list, then and in that case the governor shall appoint or fill the vacancies in said board without reference to such list or lists which the aforesaid society or societies have for any cause neglected, omitted or refused to file with the secretary of state, as herein mentioned aforesaid; but the number of representatives from each of the schools of medicine shall be the same as provided for in this act. All persons so appointed shall be legally registered physicians of this state, shall be graduates in good standing of reputable colleges, and shall have been actively engaged in the practice of medicine in this state for at least six years immediately preceding the time of such appointment. The ten persons so appointed shall be appointed in two classes, each class to consist of five persons. The first class shall consist of those physicians appointed by the governor under Act No. 237, laws of 1899, October 1, A. D. 1901, who shall serve during the time for which they were so appointed, namely: To Oct. 1, 1905; and the second class shall be appointed to

hold office for four years beginning with the first day of October of the present year, and both classes shall hold office until their successors are appointed; and thereafter the governor shall appoint, before the first day of October of each biennial period, five persons qualified as aforesaid, in each class, to hold office for four years from the first day of October next ensuing. No member of said board shall belong to the faculty of any medical college or university. The governor shall also fill vacancies occasioned by death or otherwise, and may remove any member for the continued neglect of duties required by this Act. Vacancies in said board shall be filled in accordance with the provisions of this Act for the establishment of the original board, and a person appointed to fill a vacancy shall hold office during the unexpired term of the member whose place he fills. The business of said board shall be transacted by and receive the concurrent vote of from at least seven members.

Sec. 2. MEETINGS; OFFICERS: The members of said board shall meet on the second Tuesday of October, 1899, at the State Capitol at Lansing, and shall then elect a president from their own number, and a secretary who need not be of their number, but each of whom shall hold their respective offices for two years, and shall have the power to administer oaths. Not less than seven members shall constitute a quorum of said board for transaction of business. The secretary shall give to the treasurer of the state a bond in the penal sum of \$5,000, with sufficient sureties, to be approved by the governor, for the faithful discharge of his duties. The said board shall hold two regular meetings in each year, beginning with the year 1899; one on the second Tuesday of October, 1899, and one on the second Tuesday of June, 1900, and so on, and such additional meetings at such times and places as it may determine.

Sec. 3. APPLICANTS FOR REGISTRY: On and after the date of the taking effect of this Act, all men and women who are not already legally registered under Act No. 237 of the Public Acts of 1899, and acts amendatory thereto, and who wish to begin the practice of medicine, surgery and midwifery in any of its branches in this state, shall make application to the Board of Registration in Medicine, to be registered and for a certificate of registration. The registration and certificate shall be granted to such applicants as shall furnish satisfactory proofs of being at least twenty-one years of age, and of good moral and professional character, but only upon compliance with the following conditions contained in one or either of subdivisions one and two of this section:

First. EXAMINATIONS: The applicant shall be registered and given a certificate of registration if he or she shall satisfactorily pass an examination under the immediate authority and direction of the board upon the following subjects: anatomy, histology and embryology, physiology, chemistry and toxicology, bacteriology, pathology, diagnosis, hygiene and public health, medical jurisprudence, diseases of the eye, ear, nose and throat, obstetrics, gynecology and surgery, and such additional subjects made necessary by advances in medical education as the board may designate, said examination to be conducted as follows:

(a) The examination may be taken as a whole in all of the subjects as aforesaid, and shall be designated as the primary-final examination, or said examination may be divided into a primary examination upon the subjects of anatomy, histology and

embryology, physiology, chemistry and toxicology and bacteriology, and a final examination upon the remaining subjects as aforesaid, not included in the primary examination.

(b) The applicant shall file with the secretary of the board, at least one week prior to an examination, an approved application, through a blank furnished by the board, covering the detail of his or her personal history, and preliminary and medical education, and such other evidence of qualification as the board may require.

(c) The board may make such rules and regulations governing the conduct of the examination as it shall deem necessary, and willful violation of such rules and regulations shall subject the applicant to the loss of the examination and fee.

(d) The examination shall be made as practical as possible in order to test the applicant's qualifications as a practitioner of medicine, the method of which shall be in accordance with the board's best judgment, and may be a written, clinical, laboratory or oral examination, or a combination of two or more of the above methods.

(e) An average percentage of at least 75 per cent. of correct answers on all the subjects listed under this section, and of not less than 50 per cent. on each subject, shall be required of every applicant: Provided, That in the case of a qualified applicant who has been in reputable and legal practice at least 5 years, at the discretion of the board, this requirement of minimum percentage may be modified by the board to meet the necessities of the individual case. An accepted applicant for the primary-final examination, or for the final examination, as noted in subdivision one (a) of this section, shall have a diploma from a legally incorporated, regularly established and recognized college of medicine within the states, territories, districts and provinces of the United States, or within any foreign country, having as a minimum requirement a four years' course of eight months in each calendar year: Provided, That such applicant shall have, prior to the beginning of his or her course in medicine, or registration or matriculation in a recognized medical college, as a minimum requirement, a diploma from a recognized and reputable high school, academy, college or university, having a classical course, or an equivalent credential, or shall pass an examination equivalent at least to the minimum standard of preliminary education adopted and published by the board before a board of preliminary examiners appointed by and in accordance with the regulations of aforesaid board, and at such time and place as the board may designate. The applicant shall pay to such board of preliminary examiners a fee of \$5 prior to the examination: Provided, A student entering a college in Michigan, having a preliminary examination of a standard approved by the Board of Registration in Medicine, shall not be required to take this examination: Provided, That this requirement of preliminary education shall not apply to those students who on the fourteenth day of October, 1903, were regularly registered as students of legally organized and recognized medical colleges, but that the standard of preliminary education shall equal at least the minimum standard in force in this state at the date of aforesaid registration of students: And provided also, That a higher requirement of medical education shall not apply to those graduates of legally organized and recognized medical colleges who had graduated from such colleges prior to the date of the passage of Act No. 191 of the Public Acts of 1903, but that the standard of medical education shall

equal at least the minimum standard in force in this state at the date of graduation. Students of medicine in regular attendance at a recognized medical college and endorsed by said board as having fulfilled the legal requirements of the state for entrance to, or matriculation in, recognized medical colleges, and who have completed, in accordance with the board's adopted minimum standard of medical education, in such recognized medical college, through attendance and examination, and not prior to the termination of the second year in such institution, among others the subjects of anatomy, histology and embryology, physiology, chemistry and toxicology, and bacteriology, shall have the right to a primary examination, as recorded under subdivision, one (a) of this section, upon prescribed subjects, said examination to be held at such times and places as may be determined by the board, and to receive from the board a certificate showing the credits received in the several subjects upon which an examination shall have been had as aforesaid, and such credits obtained shall, at the election of the student, be included in and form a part of the examination heretofore called the final examination under subdivision one (a) of this section: Provided, That subsequent to graduation from a recognized medical college, in said final examination for a certificate of registration the applicant shall, if presenting said credits to the board at the time of his or her application for examination, be examined only in those remaining subjects prescribed under subdivision first of this section and which have not been listed as subjects of aforesaid primary examination. The applicant shall pay to the board a fee of \$25 prior to the examination, divided as follows: \$10 for the primary examination, and \$15 for the final examination. If such examinations are taken together, or as a whole, the fee shall be \$25 for such primary-final examination. No additional fee for registration shall be charged to those who successfully pass the examinations. The board shall, in the recognition of medical colleges, in its discretion, list such colleges in three or more classes or groups: Group one including those colleges which fulfill the advanced requirements of this Act and which maintain the board's standards of preliminary and medical education; group two including those colleges which have fulfilled the standard of medical education demanded by this state at the date of the diploma; and group three including those colleges whose courses are recognized only for advanced standing in recognized colleges listed under group one: Provided, That a diploma issued by a medical college listed by the board in one or more of the groups or classes as aforesaid, shall be recognized as a qualification under this Act, in the event only of its representing the actual standards of preliminary and medical education within the provisions of this Act. The Board of Registration in Medicine shall, from time to time, adopt minimum standards of preliminary and medical education, and no high school, academy, college, university or medical college, or other institution or board, shall be approved and designated or its diploma or certificate be recognized by said board under subdivision one of Section 3 of this Act, unless in the judgment of the board, it conforms with such standard.

**Second. RECIPROCITY:** The applicant may, at the discretion of the board, be registered and given a certificate of registration if he or she shall present satisfactory proof of the possession of a certificate of registration or license which has been issued to said applicant within the states, territories, districts or provinces of the United States, or within any foreign country, where the requirements for the registration of said applicant at the date of his or her license shall be deemed by said Board of Registration in Medicine to be equivalent to those of this Act. The fee for registration from applicants of this class shall be \$50, and for the endorsement of a certificate to another state \$5.

**Third. NON-MEDICAL REGISTRATION:** The board is authorized to issue a license or certificate of registration to any person who desires to practice a system of treatment of human ailments or diseases, and

who does not in such treatment use drugs or medicines, internally or externally, or who does not practice surgery or midwifery, under the provisions of this Act; Provided, That the applicant for such license or certificate of registration shall have an accredited diploma from a high school, academy, college or university, or an equivalent credential, or shall pass an examination before the Board of Preliminary Examiners, such examination to be equivalent to a recognized high school diploma, as provided in subdivision one of this section, and shall pass an examination before the board upon the following subjects: anatomy, histology and embryology, physiology, chemistry, bacteriology, pathology, diagnosis, hygiene and public health. This examination shall be concurrent with and equivalent to the examination provided for practitioners of medicine under Section 3, subdivision one, of this Act, and shall be in harmony with the provisions of this section and subdivision covering such examination in the subjects as above specified: Provided, however, That such examination shall be a continuous one and not subject to a division into a primary and a final examination. The fee for such examination shall be \$15. A practitioner under this subdivision shall not be permitted to use in any form the title of "doctor" or "professor" or any of their abbreviations, or any other sign or appellation to his or her name which would in any way designate him or her as a physician or surgeon qualified under the provisions of Section 3, subdivisions one and two of this Act, or in violation of the provisions of this Act. All persons granted a certificate of registration or license under the provisions of this subdivision three, shall also conform to the provisions of Act No. 237 of the Public Acts of 1899, and acts amendatory thereto, except as provided in this subdivision: Provided, That all practitioners described in Section 3, Part 3, who have been granted a diploma by a college incorporated for the purpose of teaching their method of treatment and who file with the State Board of Registration in Medicine, prior to Oct. 1, 1916, an affidavit stating that they have practiced in the state of Michigan for a period of two years prior to Sept. 1, 1913, shall be registered and authorized to practice without examination under the provisions of Section 3, Part 3, of this Act. A fee of \$5 must accompany each application for registration under this provision.

**Fourth. FRAUDULENT REGISTRY:** If any person shall unlawfully obtain and procure himself or herself to be registered under this section, whether by false and untrue statements contained in his application to the Board of Registration of Medicine, or by presenting to said board a false or untrue diploma, certificate or license, or one fraudulently obtained, he shall be deemed guilty of a felony, and upon conviction thereof shall be punished by a fine of not less than \$300 nor more than \$500 or by imprisonment at hard labor for not less than one year nor more than three years, or both, at the discretion of the court, and shall forfeit all rights and privileges obtained or conferred upon him by virtue of such registration.

**Fifth. PERJURY:** Any person who shall swear falsely in any affidavit or oral testimony made or given by virtue of the provisions of this Act, or the regulations of the Board of Registration of Medicine, shall be deemed guilty of perjury, and upon conviction thereof, shall be subject to all the pains and penalties of perjury.

**Sixth. UNPROFESSIONAL CONDUCT:** The Board of Registration of Medicine may refuse to issue or continue a certificate of registration or license provided for in this section, to any person guilty of grossly unprofessional and dishonest conduct. The words "unprofessional and dishonest conduct," as used in this Act, are hereby declared to mean:

- (a) The procuring, aiding or abetting in procuring a criminal abortion;
- (b) The obtaining of any fee on the assurance that an incurable disease can be permanently cured;
- (c) The wilfully betraying of a professional secret;

(d) All advertising of medical business in which grossly improbable statements are made, or, where specific mention is made in such advertisements of venereal diseases or diseases of the genito-urinary organs;

(e) Having professional connection with, or lending one's name to an illegal practitioner of medicine; or having professional connection with any person or any firm or corporation who advertises contrary to the provisions of this section, or with any person who has been convicted in a court of competent jurisdiction under the provisions of this section;

(f) All advertising, of any nature or kind, of any medicine, or of any means for the regulation or reestablishment of the menses;

(g) All advertising of any matter of an obscene or offensive nature derogatory to good morals or contrary to act number sixty-two of the Public Acts of 1911;

(h) Employing or being employed by any capper, solicitor or drummer for the purpose of securing patients; or subsidizing any hotel or boarding-house with a like purpose, or paying or offering to any person, money or any other thing of value with a like purpose, or advertising to do so in any form whatsoever; or the division of fees in a consultation or a reference of a patient to a specialist, when no actual professional service is rendered by the physician referring the case, without the knowledge of the patient or the person concerned in the payment thereof;

(i) Being guilty of offenses involving moral turpitude, habitual intemperance, or being habitually addicted to the use of morphine, opium, cocaine, or other drugs having a similar effect; or of prescribing or giving away any substance or compound containing alcohol or drug for other than legal and legitimate therapeutic purposes.

**Seventh. PENALTIES; REVOCATION OF LICENSE:** It shall be a misdemeanor for any person to be guilty of "unprofessional and dishonest conduct" as defined in this Act. Any person who has been issued a certificate of registration or license under this Act, and who shall be charged with the commission of such misdemeanor, shall be tried in a court of competent criminal jurisdiction, and upon conviction thereof shall be fined for each offense not to exceed \$250, or shall be imprisoned in the county jail not to exceed three months, or may be both fined and imprisoned, in the discretion of the court. The creation of such misdemeanor by this Act shall not be construed to supersede any existing remedy or punishment, whether civil or criminal, for any act embraced within the provisions of this Act, but shall be construed to be in addition thereto.

The board of registration in medicine may, upon the filing with it of a duly certified copy of a final conviction obtained in accordance with the provisions of this Act, revoke or suspend for a limited period, not less than six months, the certificate or license of the person so convicted. The said Board of Registration in Medicine may also revoke any certificate of registration or license of any person guilty of a criminal offense created by or embraced within the provisions of this Act or within the provisions of any state, provincial, territorial or federal act in the United States or in foreign countries, when such criminal offense or such fraud or perjury shall have been legally established in a court of competent jurisdiction. Said board may also revoke any certificate of registration or license heretofore or hereafter granted upon mistake of material fact or by reason of fraudulent misrepresentation of fact by such applicant. Any person charged with a violation of the provisions of this subdivision seven of Section 3 shall have a fair hearing before the board, upon sufficient notice of such hearing; Provided, That this section shall not apply to such forms of contract practice as are from time to time endorsed by this board.

**Sec. 5. FEES:** All moneys received by said board shall be paid to the state treasurer monthly, and shall be credited to the general fund of the state, and a receipt for the same shall be filed by the secretary of the said board in the office of the auditor general. The incidental and traveling expenses of said board, and such salary to the secretary as said board may fix, shall be

paid from such fund only. The members of said board, except the secretary, shall receive no compensation for their services, except necessary traveling and hotel expenses in attending meetings of said board; and in no case shall any more be paid than was actually expended. Such incidental and traveling expenses shall be approved by said board and sent to the auditor general of the state, who shall draw his warrant upon the state treasurer for the amounts due, as in case of other bills and accounts under the provisions of law: Provided, That the amount so paid shall not exceed the amount received by the treasurer of the state from said board in fees, as herein specified, and as much of said receipts as may be necessary is hereby appropriated for the compensation and expenses of said board as aforesaid.

**Sec. 6. REPORTS:** Said board shall collect from the various county clerks of the state, each month, a report of all registrations made. Said board shall also keep a record of all moneys received and disbursed by it each month, and said record shall always be open to inspection at the office of the secretary of state. Said board shall annually report to the governor, on or before the first day of January of each year, the condition of medicine and surgery in this state, which report shall contain a full and complete record of all its official acts during the year, and shall also contain a statement of its receipts and disbursements.

**Sec. 7. PRACTICE WITHOUT CERTIFICATE:** Any person who shall practice medicine or surgery in this state, or who shall advertise in any form or hold himself or herself out to the public as being able to treat, cure or alleviate human ailments or diseases, and who is not the lawful possessor of a certificate of registration or license issued under and pursuant to Act No. 237 of the Public Acts of 1899, or acts amendatory thereto or without first complying with the provisions of this Act, except as heretofore provided in Section 3 of this Act, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than \$200, or by imprisonment in the county jail for a period of not more than six months, or by both such fine and imprisonment, in the discretion of the court for each offense. It shall be the duty of the prosecuting attorneys of the counties of this state to prosecute violations of the provisions of this Act.

**Sec. 8. EXEMPTIONS:** This Act shall not apply to the commissioned surgeons of the United States Army, Navy or Public Health Service in actual performance of their official duties, nor to regularly licensed physicians and surgeons from out of this state, in actual consultation with physicians and surgeons of this state, nor to dentists in the legitimate practice of their profession, nor to temporary assistance in cases of emergency, nor to the domestic administration of family remedies, nor to osteopaths practicing under the provisions of Act No. 162 of the Public Acts of 1903, nor to optometrists registered under Act No. 71 of the Public Acts of 1909, nor to chiropractors who confine their practice to chiropody and who do not use the title of "doctor" or "professor" or any of their abbreviations, or any other prefix or affix in a medical sense to their names, nor to persons who confine their administration to the sick or afflicted to prayer and without the use of material remedies.

**Sec. 9. DEFINITION OF MEDICAL PRACTICE:** Any person who shall append the letters "M.D." or "M.B." or other letters in a medical sense, or shall prefix the title "doctor" or its abbreviation, or any sign or appellation in a medical sense, to his or her name, it shall be prima facie evidence of practicing medicine within the meaning of this Act. In this Act, unless otherwise provided, the term "practice of medicine" shall mean the actual diagnosing, curing or relieving in any degree, or professing or attempting to diagnose, treat, cure or relieve any human disease, ailment, defect or complaint, whether of physical or mental origin, by attendance or by advice, or by prescribing or furnishing any drug, medicine, appliance, manipulation or method, or by any therapeutic agent whatsoever.

**Sec. 10. REPORTS BY ASSESSORS:** It shall be the duty of the assessing officer at the time of making the annual assessment to make out a list of physicians residing within his township, village, district, ward or city, with the name, age and sex of each, and the length of time each has been engaged in practice. Such list shall be returned by the assessing officer to the county clerk, and by the county clerk recorded in a book in which are kept the records of the board, and annually on or before the first day of January such clerks shall furnish certified lists of the same to the secretary of this board.

**Sec. 11. REPEALING FORMER ACTS:** An act entitled "An act to promote public health," approved June 6, 1883, and the act amendatory thereto, approved June 27, 1887, except as to all penalties which shall have accrued thereunder, are hereby repealed.

Approved May 4, 1913.

#### STATE BOARD OF HEALTH

Dr. Victor C. Vaughan, President, Ann Arbor; Dr. Thomas M. Koon, Vice-President, Grand Rapids; Dr. Andrew P. Biddle, Detroit; C. M. Ronger, Battle Creek; Dr. E. T. Abrams, Hancock; Dr. John L. Burkart, Secretary, Big Rapids.

## PHYSICIANS OF MICHIGAN

## KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOB, JOHN).  
 \* Indicates Fellowship in the American Med. Assn. (DOE, JOHN\*.)  
 (b'75) Year of birth. [medic.  
 H, homeopath; E, eclectic; P-M, physio-Md.; '09, College and year of graduation.  
 † Information received does not show graduation.

(l'89) Year of license.  
 (‡) In practice before passage of present law and licensed by filing diploma or by years of practice.  
 (†) Information received does not show license.  
 U.S.A., United States Army.  
 M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.  
 M.R.C., U.S.N., Medical Reserve Corps.  
 U.S.P.H.S., United States Public Health Service.  
 College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.  
 (A1,3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

S.—Surgeon.  
 Ob.—Obstetrician.  
 ObG.—Obstetrician, Gynecologist.  
 G.—Gynecologist.  
 Or.—Orthopedist.  
 Pr.—Proctologist.  
 Op.—Ophthalmologist.  
 A.—Aurist.  
 LR.—Laryngologist, Rhinologist.

## SPECIALTIES ARE INDICATED AS FOLLOWS:

ALR.—Aurist, Laryngologist, Rhinologist.  
 OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.  
 U.—Urologist.  
 D.—Dermatologist.  
 Pd.—Pediatrist.  
 N.—Neurologist.  
 P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.  
 I.—Internist.  
 T.—Tuberculotherapist.  
 Anes.—Anesthetist.  
 LD.—Laboratory Diagnostician. [gist.  
 R.—Actinologist, Radiologist, Roentgenologist.  
 Path.—Pathologist.  
 Bact.—Bacteriologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAWS OF MINNESOTA

(Chapter 35, Revised Code of 1905, in effect March 1, 1906). Sections 2295-2300.

Section 2295. **BOARD OF MEDICAL EXAMINERS; OFFICERS; RECORDS:** The State Board of Medical Examiners shall consist of nine qualified resident physicians, appointed by the governor, each for the term of three years and until his successor qualifies. No member thereof shall serve for more than two successive terms, nor shall any instructor or person financially interested in a medical school be appointed thereto; and it shall at all times include three homeopathic physicians. Vacancies shall be filled by like appointment for the unexpired term. The board shall elect from among their number a president, a secretary and a treasurer, and shall adopt a seal. It shall hold examinations at the seat of government on the first Tuesday in January, April, June and October of each year, and at such other times as it shall deem best. The secretary shall keep a record of all its proceedings, including a register of all applicants for license, giving their ages, description of their education in medicine, and the result of their examination. Said books and register shall be prima facie evidence of all the matters therein recorded.

Sec. 2296. **EXAMINATION AND LICENSE:** A person not already authorized to practice medicine in the state, and desiring so to do, shall apply to the secretary of the Board of Examination, and pay a fee of \$10 for the use of the board, which in no case shall be refunded. At a time appointed, or at the next regular examination, he shall prove that he has completed four entire sessions of twenty-six weeks each at a medical school recognized by the board, no two sessions having been held in one year, or, if such attendance was prior to the year 1899, three sessions shall suffice. He shall be examined in anatomy, chemistry, histology, obstetrics, pathology, physiology, preventive medicine, the diagnosis and treatment of medical and surgical diseases, and such other branches as the board shall deem advisable. After such examination the board, if seven members thereof consent, shall grant him a license to practice medicine. The examination shall be both scientific and practical, and shall thoroughly test the fitness of the candidate. All answers concerning the treatment peculiar to any school of medicine shall be examined, and their sufficiency passed on, by the members of the board belonging to that school, and their recommendations thereon shall be final. The board may refuse to grant a license to, or may revoke the license of, any person guilty of immoral, dishonorable or unprofessional conduct, but subject to right of applicant to appeal to the district court.

Sec. 2298. **RECORD OF LICENSES; REPORT TO SECRETARY:** Before engaging in practice, the holder of a license shall file the same for record with the clerk of the district court in the county where he re-

sides. Upon removal to another county he shall there file his license in like manner before engaging in practice therein. Such clerk shall keep, in the record book of such licenses, an index thereof, showing the date and page of record, and in January of each year shall furnish to the secretary of the board a list of the licenses so filed. Upon notice to the clerk of the death or removal of a licensee, or of the revocation of a license, he shall note the same on the record of such license.

Sec. 2299. **EXEMPTIONS:** This subdivision shall not apply to commissioned surgeons of the United States Army or Navy, to physicians from other states in actual consultation here, or to students practicing under the direct supervision of a preceptor while they are enrolled in and regularly attending a recognized medical school.

Sec. 2300. **PRACTICING WITHOUT LICENSE; PENALTY:** Every person not heretofore authorized by law so to do who shall practice medicine in the state without having obtained the license herein provided for, and every person who shall so practice contrary to any provision of this subdivision, shall be guilty of a misdemeanor, the minimum punishment whereof shall be a fine of \$50 or imprisonment for ten days. Any person shall be regarded as practicing within the meaning of this subdivision who shall append the letters M.D. or M.B. to his name, or for a fee prescribe, direct or recommend for the use of any person, any drug or medicine or other agency for the treatment or relief of any wound, fracture or bodily injury, infirmity or disease; provided the section shall not apply to dentists.

## MEDICAL RECIPROCITY ACT Chapter 236. Laws 1905.

### An Act

Authorizing Physicians from Other States to Practice Medicine in Minnesota. Be it enacted by the Legislature of the State of Minnesota:

Section 1. That the State Medical Examining Board, either with or without examination, may grant a license to any physician licensed to practice by a similar board of another state, and who holds a certificate of registration showing that an examination has been made by the proper board of any state on which an average grade of not less than 75 per cent. was awarded the holder thereof, the said applicant and holder of such certificate having been at the time of said examination the legal possessor of a diploma from a medical college in good standing in this state, which said diploma may be accepted in lieu of an examination as evidence of qualification. In case the scope of said examination was less than that prescribed by this state the applicant may be required to submit to an examination in such subjects as have not been covered. The fee for such examination shall be \$50.

A certificate of registration or license issued by the proper board of any state may be accepted as evidence of qualification for registration in this state; provided, the holder thereof was at the time of such registration the legal possessor of a diploma issued by a medical college in good standing in this state and that the date thereof was prior to the legal requirements of the examination test in this state.

Sec. 2. If by the laws of any state or the rulings or decisions of the appropriate officers or boards thereof, any burden, ob-

ligation, requirement, disqualification or disability is put upon physicians registered in this state or holding diplomas from medical colleges in this state which are in good standing therein, affecting the right of said physicians to be registered or admitted to practice in said state, then the same or like burdens, obligations, requirements, disqualifications or disability shall be put upon the registration in this state of physicians registered in said state or holding diplomas from medical colleges situated therein.

Sec. 3. All acts and parts of acts inconsistent with this act are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its passage.

Approved April 18, 1905.

## STATE BOARD OF HEALTH

## PHYSICIANS OF MINNESOTA

Physicians in the Indian service and officers in the government medical services are exempt from license requirements.

### KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN⊕).

(b'75) Year of birth. [medic. H., homeopath; E., eclectic; P-M, physio-Md.; '09, College and year of graduation.

◊ Information received does not show graduation.

(l'89) Year of license.

(5) In practice before passage of present law and licensed by filing diploma or by Years of Practice.

(1†) Licensed but year not known.

(3) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.R.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(A1,3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

### SPECIALTIES ARE INDICATED AS FOLLOWS:

ALR.—Aurist, Laryngologist, Rhinologist.

OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.

U.—Urologist.

D.—Dermatologist.

Pd.—Pediatrist.

N.—Neurologist.

P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.

I.—Internist.

T.—Tuberculothrapist.

Anes.—Anesthetist.

LD.—Laboratory Diagnostician. [gist.

R.—Actinologist, Radiologist, Roentgenolo-

Path.—Pathologist.

Bact.—Bacteriologist.

S.—Surgeon.

Ob.—Obstetrician.

ObG.—Obstetrician, Gynecologist.

G.—Gynecologist.

Or.—Orthopedist.

Pr.—Proctologist.

Op.—Ophthalmologist.

A.—Aurist.

LR.—Laryngologist, Rhinologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF MISSISSIPPI

### THE LAW

Regulating the Practice of Medicine in the State of Mississippi. Chapter 110, Annotated Code, 1906.

3681. (3243.) LICENSE; VIOLATION: Every person who desires to practice medicine must first obtain a license to do so from the State Board of Health; but this section shall not apply to physicians now holding permanent license, the same having been recorded as required by law. (For penalty see section 1334: If any person shall practice as a physician or surgeon without having first been examined and obtained a license as required by law, he shall, on conviction, be fined not less than \$20 nor more than \$200, or be imprisoned in the county jail not exceeding thirty days.)

3682. (3244.) EXAMINATIONS; SUBJECTS: Every person who desires to obtain a license to practice medicine must apply therefor, in writing, to the State Board of Health, at least ten days before the date of examination, and must be examined by said board touching his learning on the following branches of medicine only, viz: Anatomy, chemistry, obstetrics, materia medica, physiology, pathology, surgery and hygiene, and if the applicant be found by the board, on examination, to possess sufficient learning in said branches and be of good moral character, the board shall at once issue to him a license to practice medicine, which shall be signed by all of the members of the board present at said meeting; provided, that no applicant shall be granted a license unless said applicant shall hold a diploma from a reputable medical college that requires a four-years' course of at least thirty-two weeks for each session.

3683. (3245.) APPLICATION: The application for license must state: (1) The applicant's name in full; (2) his place of residence and postoffice address; (3) his nativity and age; (4) the time spent by him in medical studies; (5) the name and postoffice address of the preceptor under whom medical studies were pursued; (6) courses of medical lectures attended; (7) name of medical school attended; (8) if a graduate of a medical college, name thereof; (9) time spent in a hospital; (10) time spent in the practice of medicine, if any; (11) school or system of practice chosen, and (12) references as to his personal character.

3684. (3246.) EXAMINATIONS: The State Board of Health shall meet at the Capitol twice in each year, at such times as may be designated by the board, for the purpose of examining applicants for license to practice medicine, and shall continue in session until all applicants are examined and the examinations are approved or disapproved. All examinations as to applicant's learning shall be upon written questions and answers, and distinction shall not be made between applicants because of the different systems of schools of practice that may be chosen.

3685. (3247.) FEES: Every person who shall apply for license to practice medicine shall, before he will be entitled to be examined, pay a fee of \$10.25, of which \$10 are to be divided equally between those members of the board who attend and conduct the examination of the applicant, and 25 cents to be paid to the secretary of the board for filing and preserving the application for license.

3686. (3248.) FORM OF LICENSE: A license to practice medicine may be of such form as the State Board of Health may prescribe, but it shall contain a statement showing the place of residence, postoffice address and qualifications of the applicant, both as to learning and moral character.

3687. (3249.) FILING OF LICENSE: Every person who receives a license to practice medicine must file it in the office of the clerk of the Circuit Court of the county in which he resides within sixty days from the date of its issuance; otherwise it shall become void. When the license is filed the clerk shall record the same, with his certificate of the filing thereto attached, in a suitable book to be kept in his office for that purpose; upon the payment by the licensee of the fee provided by law, and, when recorded, he shall deliver the original, on demand, to the licensee. Whenever the licensee shall change the county of his residence and of usual practice he must, under like penalty, file the original or a certified copy of the license, or of the record thereof, in the office of said clerk in the county into which he shall move and practice, within sixty days of the time of such removal, to be there recorded in like manner and under like penalty.

3688. (3250.) LOSS OR NON-RECORDANCE OF LICENSE: If a license to practice medicine be issued and be lost, or if the holder of a license fail to have the same recorded within sixty days as required by law, the State Board of Health may, in its discretion, issue a new license.

3689. (3251.) TEMPORARY LICENSE: The secretary of the State Board of Health may issue under his signature a temporary license to any one to practice medicine, which shall be valid until the next succeeding meeting of the board for examining applicants, and such license shall show the date of its issuance, otherwise it shall be void. Only one temporary license shall ever be issued to the same person, and it shall always be made to an individual and not to a partnership. The secretary shall be entitled to 25 cents for such a license, and the same shall be recorded as a permanent license is required to be, under like penalty for failure.

3690. (3253.) MIDWIVES: Females engaged in the practice of midwifery are not prohibited from such practice, but are entitled to engage therein without a license.

3691. PRACTICE OF MEDICINE DEFINED: The practice of medicine shall mean to suggest, recommend, prescribe, or direct for the use of any person, any drug, medicine, appliance or other agency, whether material, or not material, for the cure, relief, or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound or fracture or other bodily injury or deformity, or the practice of obstetrics or midwifery, after having received, or with the intent of receiving therefor, either directly or indirectly, any bonus, gift, profit or compensation; provided, that nothing in this section shall apply to females engaged solely in the practice of midwifery.

3692. (3254.) INTERSTATE REGULATIONS: Licensed physicians who reside

without this State and whose practice of medicine extends into it may obtain license to practice medicine in this State without being examined as to their learning, by presenting a written application for license, in the form prescribed, to the State Board of Health, whereupon the secretary of the board shall issue to the applicant a license in the name of the board, for which the secretary shall be entitled to receive a fee of 25 cents, and the license shall be recorded as hereinbefore provided in each county in which the licensee shall practice, with like penalty for a failure to record as in case of a resident physician. The non-resident physician not holding license from the State shall not be permitted to practice medicine under any circumstances after remaining in the State five days, except when called in consultation by a licensed physician residing in this State.

3694. (3255.) STATIONERY SUPPLIES: The Board of Public Contracts shall furnish to the State Board of Health such books, blanks and stationery as may be needed by it in carrying out the provisions of this chapter; and, at the request of the State Board of Health, shall deliver to the Secretary of State such record books as the clerk of the Circuit Court may need, in which to record licenses to practice medicine, to be by him promptly and safely transmitted at the cost of the State to such of said clerks as the Board of Health may designate.

3695. COMMUNICATIONS PRIVILEGED: All communications made to a physician or surgeon by a patient under his charge or by one seeking professional advice, are hereby declared to be privileged, and such physician or surgeon shall not be required to disclose the same in any legal proceeding, except at the instance of the patient.

## STATE BOARD OF HEALTH

M. J. Alexander, President, Tunica; G. S. Bryan, Amory; John Darrington, Yazoo City; T. E. Ross, Hattiesburg; E. A. Cheek, Arcola; I. W. Cooper, Newton; Theodore Borroum, Corinth; S. E. Eason, New Albany; J. Sidney Sharp, Grenada; W. W. Reynolds, Meridian; W. W. Hall, Lumberton; C. E. Catchings, Woodville; J. R. Jiggitts, Canton; W. H. Rowan, Chief Sanitary Inspector, Jackson; C. R. Stingley, State Bacteriologist, Jackson; E. H. Galloway, Secretary, State Registrar of Vital Statistics, Jackson.

Surgical Infirmary, Yazoo City, Miss. Established 1898; private; surgical; 12 beds; John Darrington, surgeon in charge; Miss Mary Reeves, superintendent.

## PHYSICIANS OF MISSISSIPPI

### KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN⊕).

(b'75) Year of birth. [medic. H, homeopath; E, eclectic; P-M, physio-Md. 7/09, College and year of graduation.

◊ Information received does not show graduation.

(1'89) Year of license.

(♢) In practice before passage of present law and licensed by filing diploma or by years of practice.

(1†) Licensed but year not known.

(♢) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.R.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(A1,3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

### SPECIALTIES ARE INDICATED AS FOLLOWS:

S.—Surgeon.

Ob.—Obstetrician.

ObG.—Obstetrician, Gynecologist.

G.—Gynecologist.

Or.—Orthopedist.

Pr.—Proctologist.

Op.—Ophthalmologist.

A.—Aurist.

LR.—Laryngologist, Rhinologist.

ALR.—Aurist, Laryngologist, Rhinologist.

OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.

U.—Urologist.

D.—Dermatologist.

Pd.—Pediatrist.

N.—Neurologist.

P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.

I.—Internist.

T.—Tuberculothorapist.

Anes.—Anesthetist.

LD.—Laboratory Diagnostician. [gist.

R.—Actinologist, Radiologist, Roentgenologist.

Path.—Pathologist.

Bact.—Bacteriologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAWS OF MISSOURI

### CHAPTER 53, R. S. 1909

#### ARTICLE I

Section 6651. **BOARD, HOW APPOINTED:** The governor, by and with the advice and consent of the senate, shall appoint seven persons, who shall constitute a board, which shall be styled The State Board of Health of Missouri. The members so appointed shall hold their office for a term of four years. All vacancies occurring in the board shall be filled by the governor of the state, and when made, when the senate is not in session, will be subject to confirmation at the next ensuing session of the senate. (R. S. 1899, Section 7518.)

Sec. 6652. **QUALIFICATIONS:** At least five of said board shall be physicians in good standing, and of recognized professional and scientific knowledge, and graduates of reputable medical schools, and they shall have been residents of the state for at least five years next preceding their appointment: Provided, that in the appointments made there shall be no discrimination made against the different systems of medicines that are recognized as reputable by the laws of this state. (R. S. 1899, Section 7519.)

Sec. 6653. **ITS POWERS AND DUTIES:** The State Board of Health shall have general supervision over the health and sanitary interests of the citizens of the state. It shall be their duty to recommend to the general assembly of the state such laws as they may deem necessary to improve and advance the sanitary condition of the state, to recommend to the municipal authorities of any city, or to the county courts of any county, the adoption of any rules that they may deem wise or expedient for the protection and preservation of the health of the citizens thereof. (R. S. 1899, Section 7520.)

Sec. 6654. **MAY QUARANTINE, WHEN:** Whenever the State Board of Health shall be satisfied that any malignant, contagious or infectious disease exists in any city, district or part of the country to such an extent as to endanger the lives of the inhabitants of any part of the state of Missouri having direct communication with such infected city, district or part of the country, said board shall have power by a majority vote, to establish quarantine regulations against such infected city or district, and may determine and regulate to what extent and by whom any communication or business transaction with such infected city or district may be had, and establish such rules and regulations as may be deemed necessary to prevent the introduction and spread of such disease; and said board is hereby empowered to call upon any executive officer of the state to enforce such rules and regulations, and it shall be the duty of all public officers, sheriffs and constables and other executive officers of the state to assist the State Board of Health to carry out the provisions of this article. (R. S. 1899, Section 7521.)

Sec. 6655. **EPIDEMICS, NOTICE TO BE GIVEN:** Whenever the State Board of Health shall declare that any malignant, infectious or contagious disease is epidemic in any portion of the country or the state of Missouri, they shall immediately, or as soon thereafter as possible, give notice to that effect to the citizens of the state, and also give public notice of the rules and regulations adopted by them for the enforcement of quarantine in infected and other districts, and take such steps and adopt such measures as they may deem necessary to prevent the introduction of such disease. (R. S. 1899, Section 7522.)

Sec. 6656. **PENALTY FOR NONCOMPLIANCE WITH QUARANTINE REGULATIONS:** Any person or persons failing, after notice, or refusing to comply with the quarantine rules and regulations of the state of Missouri, as established by the State Board of Health, or any person or persons resisting by force the enforcement of the quarantine regulations of the state of Missouri, established and approved as aforesaid, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than \$10 nor more than \$500 for each offense. (R. S. 1899, Section 7523.)

Sec. 6657. **MEETINGS OF BOARD:** The meetings of the board shall be in January and July of each year, and at such other times as the board shall deem expedient. The meeting in January of each year shall be held in the city of Jefferson, and four members shall constitute a quorum. They shall choose from their number a president, vice-president and a secretary, and they may adopt rules and by-laws for their government, subject to the provisions of this article. (R. S. 1899, Section 7524.)

Sec. 6658. **DUTIES OF SECRETARY:** **COMPENSATION OF BOARD:** The secretary shall perform such duties as may be prescribed by the board and this article; he shall receive a salary, which shall be fixed by the board; he shall also receive his traveling and other expenses in the performance of his official duties. The other members of the board shall receive no compensation for their services, but their traveling and other expenses while employed on the business of the board shall be paid. The president of the board shall certify the amount to the secretary, and the traveling and other expenses of members, and on presentation of his certificate the auditor of the state shall draw his warrant on the state treasurer for the amount. (R. S. 1899, Section 7525.)

Sec. 6659. **BOARD TO TAKE COGNIZANCE OF DISEASES AMONG DOMESTIC ANIMALS:** The said Board of Health shall take cognizance of any fatal disease which may be prevalent among the domestic animals of the state, and ascertain the nature and causes of such disease, and shall, from time to time, publish the result of their investigations, with suggestions for the proper treatment of such animals as may be affected, and the remedy or remedies therefor. (R. S. 1899, Section 7526.)

Sec. 6660. **BOARD TO ORGANIZE, ETC.:** The State Board of Health shall organize within thirty days after the appointment of the members thereof. The president of the board shall have authority to administer oaths, and the board to take testimony in all matters relating to their duties and powers. In selecting places to hold their meetings, they shall, as far as is reasonable, accommodate the different sections of the state, and due notice shall be published of their stated meetings. All certificates issued by them

shall be signed by at least five members of the board. (R. S. 1899, Section 7527.)

Sec. 6661. **ANNUAL REPORT CONTENTS:** It shall be the duty of the Board of Health to make an annual report, through its secretary or otherwise, in writing, to the governor of this state, on or before the first day of January of each year, and such report shall include so much of the proceedings of the board, and such information concerning vital and mortuary statistics, such knowledge respecting diseases, and such instructions on the subject of hygiene, as may be thought useful by the board for dissemination among the people, with such suggestions as to legislative action as it may deem necessary. (R. S. 1899, Section 7528.)

Sec. 6662. **RULES OF BOARD NOT BINDING, WHEN:** No rule or regulation adopted by this board shall be legal or binding which shall conflict with any law of the state, or any ordinance of any municipality or town in the state. (R. S. 1899, Section 7529.)

Sec. 6663. **COUNTY BOARDS OF HEALTH:** For the purpose of further carrying out the provisions of this article, there is hereby created a county board of health, to be composed of the judges of the county court of each county, and a reputable physician to be appointed by them. Said county board of health shall have the same powers and authority as are given to the State Board of Health by sections 6654, 6655 and 6656 of this article within their respective counties outside of incorporated cities and towns respecting quarantine regulations and the prevention and spreading of malignant, contagious and infectious diseases therein; the judges of the county court shall draw such per diem as is now allowed them by law while holding court while attending the duties required by this article: Provided, that the judges of said court shall not receive any per diem for services rendered on days while the court is in session for the transaction of other business; they may pay the physician appointed a reasonable compensation, as well as all other reasonable expenses incurred thereby, out of the county treasury. Said county board of health shall report their proceedings to the state board, and shall be a subsidiary board to said state board, and shall enforce such regulations as the state board may prescribe: Provided, however, that said county board of health shall have no power to raise a quarantine established by the State Board of Health. (Laws 1901, p. 180.)

#### CHAPTER 78

Section 8311. **PRACTITIONER SHALL BE REGISTERED PHYSICIAN:** It shall be unlawful for any person not now a registered physician within the meaning of the law to practice medicine or surgery in any of its departments, or to profess to cure and attempt to treat the sick and others afflicted with bodily or mental infirmities, or engage in the practice of midwifery in the state of Missouri, except as hereinafter provided. (Laws 1901, p. 207.)

Sec. 8312. **STATE BOARD OF HEALTH TO HAVE SUPERVISION OF REGISTRATION:** The State Board of Health shall have general supervision over the registration of all practitioners of medicine, surgery and midwifery in this state. (Laws 1901, p. 207.)

Sec. 8313. **EXAMINATIONS; SUBJECTS TO BE PASSED; GRADE:** All persons desiring to practice medicine or surgery in this state, or to treat the sick or afflicted, as provided in section 8311 of this article, shall appear before the State Board of

Health at such time and place as the board may direct, and shall there be examined as to their fitness to engage in such practice. All persons appearing for examination shall make application, in writing, to the secretary of said board thirty days before the meeting. They shall furnish satisfactory evidence of their preliminary qualifications, to wit: A certificate of graduation from an accredited high school or state normal school, college, university or academy, a certificate from the county school commissioner, certifying that they have satisfactorily passed an examination equivalent to a grade from an accredited high school or state normal school, college, university or academy.

They shall also furnish satisfactory evidence of having received a diploma from some reputable medical college of four years' requirements at the time of graduation: Provided, that the time of graduation has been since March 12, 1901, and two years' requirements, if the date of graduation is prior to March 12, 1901, and shall also furnish evidence of good moral character. The medical examination may be made in whole or in part, in writing, and shall be of elementary and practical character, but sufficiently strict to test the qualifications of the candidate as a practitioner, and shall embrace the subjects of anatomy, chemistry, physiology, therapeutics, obstetrics, gynecology, surgery, practice of medicine, bacteriology, medical jurisprudence and hygiene, and such other branches as the state board may direct: Provided, that each applicant for license shall have two hours, if necessary, during which to answer the usual number of questions asked on each branch examined upon. The candidate shall be required to answer 75 per cent. of such questions as are asked him before being granted a certificate: Provided, however, that the examination of any applicant in therapeutics shall be conducted by the member or members of said board who represent the system of medicine of which such applicant has been a student.

If there shall be no representative of the school or system of which the applicant has been a student, the examination in therapeutics shall be conducted by an examiner appointed for that purpose by the governor of Missouri, but all examinations other than that in therapeutics shall be conducted as heretofore provided in this article. The Board of Health shall issue to such persons as they shall find upon examination to possess the requisite qualifications a license to practice medicine and surgery in accordance with the provisions of this article, and the State Board of Health shall not be permitted to favor any particular school or system of medicine, but all applicants shall be subjected to the same examination, and the same degree of proficiency shall be required of all. The board shall examine persons applying for a license, although such persons cannot speak the English language, the applicant in all such cases to pay the expenses of an interpreter satisfactory to the board. (Laws 1901, p. 207; amended Laws 1907, p. 359.)

**LICENSE ON RECIPROCITY, Act of 1905, p. 213:**

"And it is further provided, that the said State Board of Health may, at their discretion, admit, without examination, legally qualified practitioners of medicine who hold certificates to practice medicine in any state or territory in the United States or the District of Columbia, with equal requirements to the state of Missouri and that extend like privileges to legally qualified practitioners from this state, upon the applicant paying a fee of \$25."

**Sec. 8314. LICENSE TO BE RECORDED WITH COUNTY CLERK; FEE; NONCOMPLIANCE A MISDEMEANOR; PENALTY:** Every person holding a license from the State Board of Health shall have it recorded in the office of the county clerk of the county in which he resides, and the records shall be endorsed thereon. And the clerk is authorized to charge a fee of \$1 for recording each license, to be paid by the person offering such license for record. Any person removing to another county to practice medicine or surgery shall have his license recorded in the county to which he

removes, and the holder of said license shall pay said clerk of said county the usual fee for making the record. The county clerk shall keep, in a book provided for that purpose, a complete list of the licenses recorded by him, with the date of issue. Any person neglecting to record his license as in this section provided before entering upon the practice shall be guilty of a misdemeanor, and, on conviction thereof, shall be fined not less than \$50, and on failure to record said license for thirty days after such conviction, such person shall be liable to a fine of not less than \$100. (Laws 1901, p. 207; amended Laws 1909, p. 664.)

**Sec. 8315. PRACTICE OF MEDICINE WITHOUT LICENSE PROHIBITED; PENALTY:** Any person practicing medicine or surgery in this state, and any person attempting to treat the sick or others afflicted with bodily or mental infirmities, and any person representing or advertising himself by any means or through any medium whatsoever, or in any manner whatsoever, so as to indicate that he is authorized to or does practice medicine or surgery in this state, or that he is authorized to or does treat the sick or others afflicted with bodily or mental infirmities, without a license from the State Board of Health, as provided in this article, or after the revocation of such license by the State Board of Health, as provided in this article, shall be deemed guilty of a misdemeanor, and punished by a fine of not less than \$50 nor more than \$500, or by imprisonment in the county jail for a period of not less than thirty days or more than one year, or by both such fine and imprisonment for each and every offense; and treating each patient shall be regarded as a separate offense. Any person filing, or attempting to file, as his own a license of another, or a forged affidavit of identification, shall be guilty of a felony, and, upon conviction thereof, shall be subject to such fine and imprisonment as are made and provided by statutes of this state for the crime of forgery in the second degree. Said fines to be turned into the state treasury when collected: Provided, that physicians registered on or prior to March 12, 1901, shall be regarded for every purpose herein as licentiates and registered physicians under the provisions of this article. (Laws 1901, p. 207; amended Laws 1907, p. 358.)

**Sec. 8316. FEES; DISPOSITION OF SAME:** In order to provide the means to carry out and maintain the provisions of this article, the said board shall charge each person applying to and appearing before it for examination for a license to practice medicine and surgery a fee of \$15, and should such examination prove unsatisfactory and the state board refuse to issue a license thereon, the applicant failing to pass such examination may return at any meeting within the next twelve months thereafter and be examined without extra charge, but no temporary license shall be issued to such person. All fees so received from applicants for license shall be paid into the state treasury and shall be held by the state treasurer as a separate fund to be disbursed only in payment of expenses of maintaining said board of health, and said fund is hereby appropriated for said purpose, and no other money shall be paid out of the state treasury for the provisions of this article. The state auditor shall issue his warrant on the state treasurer for payment out of said fund on the certificate of the president and secretary of the State Board of Health. (Laws 1901, p. 207.)

**Sec. 8317. REVOCATION OF LICENSE:** The board may refuse to license individuals of bad moral character, or persons guilty of unprofessional or dishonorable conduct, and they may revoke licenses, or other rights to practice, however derived, for like causes, and in cases where the license has been granted upon false and fraudulent statements, after giving the accused an opportunity to be heard in his defense before the board as hereinafter provided. Habitual drunkenness, drug habit or excessive use of narcotics, or producing criminal abortion, or soliciting patronage by agents, shall be deemed unprofessional and dishonorable conduct within the meaning of this section, but these specifications are not intended to ex-

clude all other acts for which licenses may be revoked. At least twenty days prior to the date set for any such hearing before the board for the revocation of such license, the secretary of the board shall cause written notice to be personally served upon the defendant in the manner prescribed for the service of original writs in civil action. Said notice shall contain an exact statement of the charges and the date and place set for the hearing before the board. If the party thus notified fails to appear, either in person or by counsel, at the time and place designated in said notice, the board shall, after receiving satisfactory evidence of the truth of the charges and the proper issuance and service of notice, revoke said license. If the licensee appear either in person or by counsel, the board shall proceed with the hearing as herein provided. The board may receive and consider depositions and oral statements, and shall cause stenographic reports of the oral testimony to be taken and transcribed, which, together with all other papers pertaining thereto, shall be preserved for two years. If a majority of the board are satisfied that the licensee is guilty of any of the offenses charged, the license shall be revoked for such period of time as may be agreed upon. Any person whose license has been or shall be revoked by the board shall have the right to have the proceedings of said board revoking his license and all the evidence therein reviewed, or a writ of certiorari, by the circuit court of the county in which said board held its session when said license was revoked. Said writ shall issue upon the petition of the person whose license shall have been revoked to said court or to the clerk thereof in vacation at any time within ninety days after such revocation, and shall command the said board and the secretary thereof to certify to said court the record and proceedings of said board, and a complete transcript thereof, and of all the evidence therein pertaining to the revocation of said license. The petitioner for the writ of certiorari shall set forth the rights of the petitioner and the injuries complained of by him and shall be verified by him. If the proceedings of the board shall be sustained or upheld by the circuit court, its orders, decisions or judgments revoking said license shall remain and continue in full force and effect. And any such license so revoked by the board shall, pending said review on certiorari, stand revoked and so remain until the proceedings of the board relating thereto shall be quashed or otherwise annulled by the circuit court on said writ of certiorari. Testimony may be taken by deposition, to be used in evidence on the trial of such charges before the board in the same manner and under the same rules and practice as is now provided for the taking of depositions in civil cases. (Laws 1901, p. 207; amended Laws 1907, p. 359; Laws 1909, p. 667.)

**Sec. 8318. HEALTH COMMISSIONER OF ST. LOUIS; DUTIES:** Whenever in this article it is provided that any duty or service shall be performed by any county clerk, such duty or service in the city of St. Louis shall be performed by the health commissioner, as if said officer was specially named to perform these duties and services, and said officer shall receive the same compensation therefor as this article provides shall be paid to the county clerk: Provided further, that whenever in this article the word county is used it shall include the city of St. Louis the same as if said city were specially named. (Laws 1901, p. 207.)

**Sec. 8319. EXEMPTIONS:** It is not intended by this article to prohibit gratuitous service to and treatment of the afflicted, and this article shall not apply to commissioned surgeons of the United States Army, Navy, Public Health Service. (Laws 1901, p. 207; amended Laws 1903, p. 240; Laws 1907, p. 359.)

## ARTICLE II

**Sec. 8320. MIDWIFERY LICENSE; PENALTY:** It shall be unlawful for any person to practice midwifery in this state before receiving a license to do so. Every person desiring to practice midwifery as a profession shall make application to the State Board of Health for examination and pay a fee of \$5. And upon passing an examination satisfactory to said board upon the

subject of obstetrics, shall receive a license to practice as above provided. It shall be unlawful for any person licensed as a midwife only to engaged in any other branch of medical practice or to advertise herself as doctor, doctress or physician, or to use any letters before or after her name on a sign or otherwise, indicating that she is authorized to or does engage in any other branch of medical practice. And any person practicing midwifery as a profession or advertising herself as a midwife, without first obtaining a license aforesaid, and any licensed midwife who shall do any acts in this section prohibited, shall be deemed guilty of a misdemeanor, and upon conviction, shall be punished by a fine of not less than \$10 nor more than \$50, or by imprisonment in the county jail not more than two months nor less than ten days. Acting in each case shall be deemed a separate offense. Nothing in this section shall be so construed as to require women practicing midwifery to obtain a license when said women do not practice midwifery as a profession, and do not make any charge for their services. (Laws 1901, p. 207.)

Approved March 12, 1901. Amended and approved April, 1907.

Established 1910; general; Alexander Johnston, physician in charge.

## PHYSICIANS OF MISSOURI

## KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).

\* Indicates Fellowship in the American Med. Assn. (DOE, JOHN\*).

(b'75) Year of birth. [medic.

H, homeopath; E, eclectic; P-M, physio-Md.'79, College and year of graduation.

◇ Information received does not show graduation.

(1'89) Year of license.

(5) In practice before passage of present law and licensed by filing diploma or by years of practice.

(1†) Established but year not known.

(§) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.R.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(A13, B6, C4) Membership in special Societies. (See Key Table, page 122.)

## SPECIALTIES ARE INDICATED AS FOLLOWS:

ALR.—Aurist, Laryngologist, Rhinologist.

OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.

U.—Urologist.

D.—Dermatologist.

Pd.—Pediatrist.

N.—Neurologist.

P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.

I.—Internist.

T.—Tuberculothrapist.

Anes.—Anesthetist.

LD.—Laboratory Diagnostician. [gist.

R.—Actinologist, Radiologist, Roentgenolo-

Path.—Pathologist.

Bact.—Bacteriologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK. THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF MONTANA

### Article XVI, Political Code of Montana

**Sec. 1585. BOARD OF EXAMINERS; APPOINTMENT; TERMS:** The governor, with the advice and consent of the senate, shall appoint seven learned, skilled and capable physicians, who shall have been residents of the state of Montana for not less than two years preceding their appointment, not more than two of whom shall be from the same county and who have attended three courses of lectures, and who are graduates of accredited colleges of medicine, who shall constitute the Board of Examiners for the purposes of this Act. The physicians so appointed shall hold their respective offices for seven years; provided, that the term of office of those constituting the present board shall not be affected by the provisions of this Act; and the terms of their successors shall be so arranged as to succeed the present incumbents as their terms expire; and provided, also, that all vacancies occurring shall be likewise filled by appointment by the governor by the advice and consent of the senate. Appointments made when the senate is not in session shall take effect immediately, and may be confirmed at the next ensuing session.

**Sec. 1586. ORGANIZATION: QUORUM; MEETINGS; RECORDS:** The Board of Medical Examiners must, on the first Tuesday of April of each year, elect from among their number a president, secretary and treasurer, and must have a seal. Four members of said board shall constitute a quorum. The president and secretary have the power to administer oaths in examination of applicants for certificates, and witnesses called before the board in the transaction of business under the provisions of this Act. The Board of Examiners must hold meetings for examinations at the seat of government on the first Tuesdays of April and October of each year, and at such other times and at the same and other places as the board may determine. The board must keep a record of all proceedings thereof, and also a register of all applicants for a certificate, with the age of the applicant, time spent in the study of medicine, and the name and location of all institutions granting to such applicant degrees or certificates of lectures attended in medicine or surgery. The register must also show whether such applicant was rejected, or has received a certificate under this Act; such register is prima facie evidence of all matters therein kept.

**Sec. 1587. CERTIFICATE; EXAMINATION; SUBJECTS; FEES; TEMPORARY CERTIFICATES:** Every person hereafter wishing to practice medicine or surgery in any of the departments of this state shall apply to said board for a certificate to do so. Every person applying shall present his or her diploma to the said Board of Examiners for verification as to its genuineness; if the diploma is found to be genuine, and is issued by a medical school legally organized and in good standing, whose teachers are graduates of a legally organized school, which facts said Board of Examiners shall determine, and if the person presenting and claiming said diploma shall be the person to whom

the same was originally granted, at a time or place designated by said board, or at a regular meeting of said board, said applicant shall submit to an examination in the following branches, to-wit: anatomy, physiology, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women and children, diseases of the nervous system, diseases of the eye and ear, and present evidences of having attended four courses of lectures of at least six months each, but such evidence of having attended four courses of lectures shall not be required of applicants graduating prior to July 1, 1898; said board shall cause such examination to be both scientific and practical, and of sufficient thoroughness and severity to test the candidate's fitness to practice medicine and surgery; when desired such examination may be conducted in the presence of the dean of any medical school or the president of any medical society of this state. After examination such board, if the candidate has been found qualified, shall grant a certificate to such applicant to practice medicine and surgery in the state of Montana, which said certificate can be granted only by the consent of not less than four members of said board, and which said certificate shall be signed by the president and secretary of said board and attested by the seal thereof; provided, however, that in all cases where an applicant for a certificate under this section shall produce and exhibit to the said Board of Examiners, a certificate from a board of medical examiners, duly appointed and existing under the laws of any state of the United States, and recognizing certificates or licenses from this state certifying to the fact that the person presenting such certificate is duly and well qualified to practice medicine and surgery in the state issuing said certificate, and that said board issuing said certificate has subjected the applicant to a thorough examination to ascertain this fact, or certifying to the fact that the person presenting such certificate is duly and well qualified to practice medicine and surgery in the state issuing said certificate, and to the further fact, if such is the case, that such applicant was exempt from examination under the laws of said state by reason of his residence in said state in the active practice of medicine and surgery at the time of the passage in said state of said law requiring the examination of applicants to practice medicine and surgery, he or she may, at the discretion of said Board of Examiners, on paying the fee required of applicants for examination under the provisions of Section 607 of this article, and otherwise complying with all the requirements of this article, receive from said Board of Examiners a certificate to practice medicine and surgery within this state, and on filing said certificate with the county clerk of the county in which he resides, as is provided in Section 604 of this article, he shall be a legally qualified practitioner of medicine and surgery in this state; provided, also, that during the period intervening between the sessions of said Board of Examiners any person desiring to practice medicine and surgery within this state may present his or her diploma to the president or secretary of said board, who may issue a certificate good until the next regular meeting of said board; and provided, further, that all physicians and surgeons who hold certificates granted by the now existing Board of Medical Examiners, or who are now legally entitled to practice medicine and surgery in this state, shall be exempt from the provisions of this section.

**Sec. 1588. EXAMINATION OF APPLICANTS FOR CERTIFICATES; REVOCATION**

**OF CERTIFICATES; APPEALS FROM DECISION OF BOARD:** No person not heretofore licensed to do so shall be permitted to practice medicine in the state of Montana unless he shall have first been subjected to a thorough examination as to his qualifications, learning and professional skill by the State Board of Medical Examiners, nor until he has been issued a certificate by such board after such examination admitting him to practice as a physician and surgeon in the state of Montana. The board may refuse to grant a certificate for unprofessional, dishonorable or immoral conduct. Before a certificate can be refused for such cause the board must serve in writing on the applicant a copy of any charge or charges against him, and appoint a day for hearing, at which the applicant or any witness in his behalf may appear and give testimony in refutation of such charges. In case the board, after such hearing, refuse a certificate to such applicant, the decision specifically stating the ground on which such refusal was made must be reduced to writing and a copy thereof delivered to the applicant, on demand of the applicant. On a like hearing the board may refuse a certificate to any one who may publicly profess to cure or treat disease, injury or deformity in such a manner as to deceive the public. The hearing provided for herein must take place within twenty days after the service of the copy of the charges on the applicant, unless delayed by, or further time is granted to the applicant, and the decision of the board must not be later than ten days after the day of hearing. If the decision is not rendered within the said period of ten days the applicant is not subject to any penalties for practicing without a certificate during the time that elapses before the decision is made.

The board, with the concurrence of four members thereof, may revoke a certificate for unprofessional, dishonorable or immoral conduct. Before such revocation can take place a written complaint, specifically stating the charges against the person whose certificate is sought to be revoked, must be delivered to the board and a copy thereof be served on such person twenty days before the time fixed by the board for the hearing of such charges. The board must fix the time and place for the hearing, at which the person charged may appear and produce testimony in refutation of such charges. If, after such hearing, the board revoke the certificate of such person, the ground on which such revocation is made must be specifically stated by the board in writing and a copy thereof delivered, on demand, to the person whose certificate is revoked. In all cases of the refusal or revocation of a certificate to practice medicine by said board, the person aggrieved thereby may appeal from the decision of the board as hereinafter provided.

An appeal may be taken from the action of the State Board of Medical Examiners in refusing to issue a certificate to practice medicine and surgery to any applicant after examination or from the action of said board in revoking the certificate of any physician or surgeon, to the district court of the county in which such revocation or refusal was made. The appeal is taken by serving notice of appeal upon the secretary of the Board of Medical Examiners and the attorney-general of the state within thirty days after notice from the Board of Medical Examiners of its decision, and by filing within the same time with the clerk of the proper district court, a verified copy of the decision from which appeal is taken, together with a verified copy of any charge or charges preferred against the applicant and filed with

the Board of Medical Examiners. The appellant is required at the time of filing such appeal, to furnish and file with the clerk of the court a good and sufficient bond to be approved by the clerk of the court, with two good and sufficient sureties, in the sum of three hundred dollars, guaranteeing the payment of all costs of the appeal should the case be decided against the appellant, and the costs shall consist of the sheriff's fees for serving jurors, jurors' fees, and the fees of the clerk of the court. Such appeal shall thereafter be tried by the district court before a jury of six physicians—not less than two of whom shall be of the same school of medicine as the appellant—and in case such jury cannot be obtained in the county where the case is tried, the judge of such court shall order subpoenas for physicians from any adjoining county or counties, which subpoenas shall be served by the sheriff of such adjoining county upon receipt, after the clerk of the court where the subpoena is issued shall have sent by registered mail, such subpoena to such sheriff. Bias or prejudice or fixed opinion shall constitute a ground of challenge to a juror for cause, and the appellant and the medical board shall each have the right to peremptorily challenge not more than two of such jurors. When the jury shall have been selected and sworn to try the cause, they constitute a higher examining board for the purpose of enquiring into whether or not the judgment of the Board of Medical Examiners should be affirmed or overruled upon the issues presented to such board, and such jury may make such examination of the appellant as they may deem necessary or desirable. It shall take four of the jury to render a verdict, and no member of the medical board is qualified to act as a juror. The attorney-general is hereby made the attorney for said board. Jurymen subpoenaed under this Act shall be entitled to mileage at the rate of 10 cents per mile for each and every mile by them actually traveled in attending upon the court, and of \$3 per day for their services. (Act approved March 5, 1907.) (10th Sess. Chap. 100.)

Sec. 1589. CERTIFICATE TO BE RECORDED; REPORT CHANGES; PENALTIES: Every person obtaining a certificate from the board must, within sixty days from the date thereof, have the same recorded in the office of the county clerk of the county wherein he resides; if he removes from one county to another to practice medicine or surgery, his certificate must be immediately recorded in the county to which he removes. The county clerk must endorse on the certificate the date of record, and he is entitled to charge and receive his usual fee for such services, the fee to be paid by the applicant. Until the certificate be recorded, as provided by this section, the physician practicing under it is subject to the penalties prescribed in the penal code for practicing without a certificate. (Section 604. Act approved March 13, 1895.)

Sec. 1590. TO WHOM NOT APPLIED: This Act shall not apply to midwives of skill and experience, commissioned surgeons of the United States Army and Navy in the discharge of their official duties, nor to physicians and surgeons in actual consultation from other states and territories.

Sec. 1591. PRACTICING MEDICINE WITHOUT CERTIFICATE; PENALTIES: Any person practicing medicine or surgery within this state without first having obtained a certificate to practice, as provided by law, and after his certificate to practice has been revoked, or contrary to the provisions of this Act, shall for each violation of the provisions of this code, or any act relating to the practice of medicine and surgery in this state, be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than \$1,000 nor less than \$250, or by imprisonment in the county jail not exceeding one year, nor less than ninety days, or by both such fine and imprisonment, as the court may determine.

Any person shall be regarded as practicing within the meaning of this Act who shall append or affix the letters M.B. or M.D., or the title of Dr. or Doctor, or any other sign

or appellation in a medical sense to his or her name, who shall publicly profess to be a physician or a surgeon, who shall publicly profess either on his own behalf, in his own name, in his trade name, or on behalf of any other person, corporation, association, partnership, either as manager, bookkeeper, solicitor or other agent, to cure, treat, relieve, or palliate any ailment, disease or infirmity of the mind or body of another by using or prescribing any drug, medicine or surgical treatment, or who shall recommend, prescribe or direct for the use of any person, any drug, medicine, appliance, apparatus, or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound, fracture or bodily injury or other deformity after having received, or with the intent of receiving therefor either directly or indirectly, any bonus, gift, or compensation; provided, however, that nothing in this section shall be construed to restrain or restrict any legally licensed osteopathic practitioner practicing under the laws of this state. Nothing in this Act shall prohibit any legally licensed pharmacist or mercantile dealer from selling any drugs or medicines which are now allowed to be sold under the laws of the state of Montana or the United States. (Act approved March 5, 1907.) (10th Sess. Chap. 101.)

Sec. 1592. FEES: Candidates for examination shall pay in advance to the secretary of the Board of Medical Examiners a fee of \$25, which fee shall defray the entire expense of said candidates for examination before the aforesaid Board of Examiners. Any one failing to pass the required examination shall be entitled to a second examination within six months, without fee. And the moneys so received shall be turned over to the state treasurer, to be by him deposited in the medical board fund, as hereinafter provided.

Sec. 1593. COMPENSATION OF BOARD; ANNUAL REPORT TO GOVERNOR: Each member of the board is allowed the sum of \$5 per day and mileage while in the active and necessary discharge of his duties. And there is hereby established a fund to be known as the medical board fund. And a sum of \$1,500 is hereby annually appropriated out of any moneys in the state treasury not otherwise appropriated, to meet the expenses incurred in carrying out the provisions of this Act. The state treasurer is hereby directed and required to set such sum apart to the credit of such fund, subject to the orders and disbursements as herein provided for. The moneys in such fund shall only be paid out by warrant on said fund on an order drawn by the secretary of said board, countersigned by the president. The rate of mileage and attendance before said board shall be the same as is now allowed in justice of the peace courts. And the board must report annually on the first Monday in November to the governor, which report must show all the transactions of the board, giving the number of applications received and from whom received, the number of certificates granted and rejected, and the names of those receiving certificates and those rejected, giving the reasons therefor, the amount of money received, the expenses, the fees and mileage paid, and by whom received, and the amount of money remaining in said fund.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN⊕).

(b75) Year of birth. [medic. H, homeopath; E, eclectic; P-M, physio-Med. 7'09, College and year of graduation.

◇ Information received does not show graduation.

(l'89) Year of license.

(z) In practice before passage of present law and licensed by filing diploma or by years of practice.

(lf) Licensed but year not known.

(z) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.H.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(A1,3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

## SPECIALTIES ARE INDICATED AS FOLLOWS:

ALR.—Aurist, Laryngologist, Rhinologist.

OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.

U.—Urologist.

D.—Dermatologist.

Pd.—Pediatrist.

N.—Neurologist.

P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.

I.—Internist.

T.—Tuberculothorapist.

Anes.—Anesthetist.

LD.—Laboratory Diagnostician. [glst.

R.—Actinologist, Radiologist, Roentgenolo-

Path.—Pathologist.

Bact.—Bacteriologist.

S.—Surgeon.

Ob.—Obstetrician.

ObG.—Obstetrician, Gynecologist.

G.—Gynecologist.

Or.—Orthopedist.

Pr.—Proctologist.

Op.—Ophthalmologist.

A.—Aurist.

LR.—Laryngologist, Rhinologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF NEBRASKA

From the Compiled Statutes of Nebraska. Annotated. 1905. Chapter 55. Medicine.

4315. Section 1. **BOARD OF HEALTH:** There shall be established in the State of Nebraska a board to be styled the State Board of Health. Said board shall consist of the Governor, Attorney-General and Superintendent of Public Instruction, and the Governor shall be ex-officio chairman of said board.

4316. Sec. 2. **MEETINGS:** Said board shall meet on the call of the Governor and within thirty days after the approval of this Act, and shall meet thereafter as often and at such times as the Governor may from time to time designate.

4317. Sec. 3. **SECRETARIES:** Said Governor shall within sixty days after the approval of this Act appoint four secretaries, who shall be graduated physicians of at least seven years consecutive practice, who shall be at the time of their appointment actually engaged in practice in the state of Nebraska; one of whom shall be appointed for the term of one year, one for the term of two years, one for the term of three years, and one for the term of four years, and thereafter it shall be the duty of said board to appoint or reappoint one secretary every year as the term of those theretofore appointed shall expire, but each secretary shall continue in office until his successor shall have been appointed. Said appointments shall be made so that of said secretaries two shall be physicians of the so-called regular school, one of the so-called eclectic school, and one of the so-called homeopathic school.

4318. Sec. 4. **SAME: POWERS, DUTIES:** Said secretaries shall have power, and it shall be their duty to assist and advise said board in the performance of its duties as prescribed by this Act, to summon witnesses and take testimony in the same manner as witnesses are summoned and testimony taken under the Code of Civil Procedure, and to report said testimony to the board, together with their findings of fact and recommendations on all matters coming before said board requiring evidence for their determination except as hereinafter provided.

4319. Sec. 5. **SAME: CERTIFICATES:** It shall be the duty of said board to see that all the provisions of this Act are strictly enforced, to grant certificates as herein provided, and to cause to be prosecuted all violations of this Act. Said board shall have and use a common seal and may make and adopt all necessary rules, regulations and by-laws not inconsistent with the constitution and law of this state or of the United States to enable it to perform its duties and transact its business under the provisions of this Act.

4320. Sec. 6. **QUORUM:** A majority of said board shall constitute a quorum for the transaction of business.

4321. Sec. 7. **WHO MAY PRACTICE: EXAMINATION:** It shall be unlawful for any person to practice medicine, surgery or obstetrics, or any of the branches thereof,

in this state without first having applied for and obtained from the State Board of Health a license to do so. Application therefor shall be in writing, and shall be accompanied by the examination fee hereinafter specified and with proof that the applicant is of good moral character. Applications from candidates who desire to practice medicine and surgery in any or all their branches shall be accompanied by proof that the applicant is a graduate of a medical school or college in good standing, as defined in section 8 of this article. When the application aforesaid has been inspected by the board and found to comply with the foregoing provisions the board shall notify the applicant to appear before it for examination at the time and place mentioned in such notice.

Examinations may be made wholly or in part in writing by the board and shall be of a character sufficiently strict to test the qualifications of the candidate as a practitioner. The examination of those who desire to practice medicine and surgery in any or all their branches shall embrace those subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine, by reputable medical colleges in the United States. All examinations provided for in this Act shall be conducted under rules and regulations prescribed by the board, which shall provide for a fair and wholly impartial method of examination. It is also provided that examinations on practice of medicine and therapeutics shall be conducted by the member or members of the board of secretaries who are of the same school of medicine as that of the applicant. And it is further provided that the said State Board of Health may, at their discretion, admit, without examination, legally qualified medical practitioners who hold certificates to practice medicine in any state with equal requirements to those of the state of Nebraska.

4322. Sec. 8. **MEDICAL SCHOOL DEFINED:** The term medical school or college in good standing shall be defined as follows, to-wit: A medical school or college requiring a preliminary examination for admission to its course of study in all common branches and in Latin and the higher mathematics, which requirements shall be regularly published in all the advertisements and in each prospectus or catalogue issued by said school, which medical school or college shall also require as a requisite for granting the degree of M.D. attendance on at least four courses of lectures of six months each, no two of said courses to be held within one year, and having a full faculty of capable professors in all the different branches of medical education, to-wit: Anatomy, physiology, chemistry, toxicology, pathology, hygiene, materia medica, therapeutics, obstetrics, bacteriology, medical jurisprudence, gynecology, principles and practice of medicine and surgery, and specially requiring clinical instruction in the two last named of not less than four hours per week in each during the last two courses of lectures. Provided, That this four year clause shall not apply to degrees granted, or to be granted, prior to August, 1898.

4323. Sec. 10. **LICENSE: CERTIFICATE: REGISTER:** If on investigation of the proofs submitted to the board, and after the examination as hereinbefore provided, the applicant shall be found entitled to practice, there shall be issued to said applicant the certificate of said board under its seal and signed by its secretaries stating such fact, and it shall be the duty of the applicant before practicing to file such certificate or a copy thereof in the office of the county clerk of the county in which he or

she resides or in which he or she intends to practice; such certificate or copy shall be filed by the county clerk and by him recorded in a book kept for that purpose, properly indexed, to be called the "Physicians' Register," and for such services the county clerk shall receive from the applicant the same fees as are allowed to the register of deeds for the recording of conveyances.

4324. Sec. 11. **EXCEPTIONS TO ACT:** All physicians who shall be engaged in practice at the time of the passage of this Act shall within six months thereafter present to said board their diplomas and affidavits as hereinbefore provided, or in the case of persons not graduates who were entitled to registration and practice under the provisions of the Act entitled "An Act to regulate the practice of medicine in the State of Nebraska," approved March 3, 1881, an affidavit showing them to have been entitled to so register and practice and a certified transcript of their registration under said act, and on their doing so shall be entitled to the certificate herein provided, which they shall file with the county clerk as herein provided. Provided, That no one having the qualifications required in and having complied with said Act of March 3, 1881, shall be liable to prosecution for failure to comply with this Act until the expiration of said period of six months.

4325. Sec. 12. **SECRETARIES; RECORDS; CERTIFICATES:** It shall be the duties of said secretaries to keep a full record of all the acts and proceedings of said board and of all certificates granted thereby, together with the proof on which certificates are granted, but when said proof in any case shall have been on file in the office of said board for ten days said certificate may be issued by said secretaries without a vote of the board, if no protest has been filed and if in their opinion said proof complies with the provisions of this Act.

4326. Sec. 13. **REMOVAL FROM COUNTY:** Any person who shall have obtained a certificate provided by this Act and shall remove to another county shall before entering on the practice of his profession in such other county cause said certificate to be filed and recorded in the office of the county clerk of the county to which he has removed.

4327. Sec. 14. **CERTIFICATE; REFUSAL; REVOCATION:** The board may refuse to issue a certificate, or may revoke one already issued for any of the causes defined in this section, to-wit: The employment of fraud or deception in applying for license or diploma or in passing the examination provided for in this Act; conviction of crime involving moral turpitude; habitual intemperance in the use of ardent spirits, narcotics or stimulants; unprofessional or dishonorable conduct. The words "unprofessional or dishonorable conduct" as used herein are declared to mean: First, the procuring, or aiding or abetting in procuring a criminal abortion; second, the obtaining of a fee on the assurance that a manifestly incurable disease can be permanently cured; third, betrayal of a professional secret to the detriment of a patient; fourth, causing the publication and circulation of advertisements of any medicine or means whereby the monthly periods of women can be regulated or the menses can be established, if suppressed; fifth, causing the publication and circulation of advertisements of any kind relative to diseases of the sexual organs tending to injure the morals of the public.

4328. Sec. 15. **EFFECT OF ACT ON SUITORS:** No person shall recover in any court in this state any sum of money what-

# NEBRASKA

ever for any medical, surgical or obstetrical services unless he shall have complied with the provisions of this Act and is one of the persons authorized by this Act to be registered as a physician.

4329. Sec. 16. **UNLAWFUL PRACTICING; PENALTY:** Any person not possessing the qualifications for the practice of medicine, surgery or obstetrics required by the provisions of this Act, or any person who has not complied with the provisions of this Act, who shall engage in the practice of medicine, surgery or obstetrics, or any of the branches thereof in this state, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined in any sum not less than \$50 nor more than \$300, and costs of prosecution for each offense, and shall stand committed until such fine and costs are paid.

4330. Sec. 17. **PRACTITIONER DEFINED; EXCEPTIONS:** Any person shall be regarded as practicing medicine within the meaning of this Act who shall operate or profess to heal or prescribe for or otherwise treat any physical or mental ailment of another. But nothing in this Act shall be construed to prohibit gratuitous services in cases of emergency, and this Act shall not apply to commissioned surgeons in the United States Army and Navy, nor to nurses in their legitimate occupations, nor to the administration of ordinary household remedies.

4331. Sec. 18. **ITINERANT VENDORS; PENALTY:** Any itinerant vendor of any drug, nostrum, ointment or appliance of any kind intended for the treatment of any disease or injury, or who shall by writing, printing, or any other method, publicly profess to cure or treat diseases or injury or deformity, by any drug, nostrum, manipulation or other expedite, shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined in any sum not less than \$50 nor more than \$100 or be imprisoned in the county jail for a period of not less than thirty days nor more than three months, or both, in the discretion of the court, for each offense.

4332. Sec. 19. **FEES:** Every holder of a diploma from a recognized medical college within the state of Nebraska, making application for an examination and a certificate under the provisions of this Act, shall pay to the board of secretaries prior to his examination the sum of \$10. All other persons making such application shall pay to said board the sum of \$25. All such fees shall be equally divided among the four secretaries of the board as full compensation for their services and expenses. For the taking of any testimony each of the secretaries shall be entitled to charge and receive such fees as are provided for notaries public for similar services. No part of such fees shall be paid out of the state treasury.

## PHYSICIANS OF NEBRASKA

## KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN).

(b'75) Year of birth. [medic. H, homeopath; E, eclectic; P-M, physio-Med. 7, '09, College and year of graduation. ◇ Information received does not show graduation.

(1'89) Year of license.

(5) In practice before passage of present law and licensed by filing diploma or by years of practice.

(1†) Licensed but year not known.

(\*) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.R.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(A1,3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

## SPECIALTIES ARE INDICATED AS FOLLOWS:

S.—Surgeon.  
Ob.—Obstetrician.  
ObG.—Obstetrician, Gynecologist.  
G.—Gynecologist.  
Or.—Orthopedist.  
Pr.—Proctologist.  
Op.—Ophthalmologist.  
A.—Aurist.  
L.R.—Laryngologist, Rhinologist.

ALR.—Aurist, Laryngologist, Rhinologist.

OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.

U.—Urologist.

D.—Dermatologist.

Pd.—Pediatrist.

N.—Neurologist.

P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.

I.—Internist.

T.—Tuberculothorapist.

Anes.—Anesthetist.

LD.—Laboratory Diagnostician. [gist.

R.—Actinologist, Radiologist, Roentgenolo-

Path.—Pathologist.

Bact.—Bacteriologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF NEVADA

### An Act

Regulating the Practice of Medicine, Surgery and Obstetrics in the state of Nevada; providing for the appointment of a State Board of Medical Examiners and defining their duties; providing for the issuing of licenses to practice medicine; defining the practice of medicine; defining certain misdemeanors and providing penalties, and repealing all other Acts, or parts of Acts, in conflict therewith.

[Approved March 4, 1905.]

The People of the state of Nevada, represented in senate and assembly, do enact as follows:

Section 1. LICENSE: That it shall hereafter be unlawful for any person or persons to practice medicine or obstetrics in this state without first obtaining a license so to do as hereinafter provided.

Sec. 2. BOARD OF EXAMINERS; APPOINTMENT; TERM: Within thirty days after this law goes into effect it shall be the duty of the governor of the state of Nevada to appoint a state board consisting of five members, which shall be known as the Board of Medical Examiners of the State of Nevada, and shall be reputable practicing physicians, duly licensed as such by some legally chartered medical institution in the United States, and who shall have been actually engaged in the practice of medicine in the state of Nevada, three of whom shall be selected from the school of medicine known as the regular, one from the school known as the eclectic, and one from the school known as the homeopathic. This board shall be selected without regard to their individual political beliefs, and they shall hold office for the time for which they were appointed, viz., two for four years, one for three years, one for two years, and one for one year; from the date of their appointment, and shall serve until their successors are appointed and qualified. Hereafter one member shall be appointed annually for the term of four years. In the event of a vacancy occurring in said board, or absence from the state for a period of six months without permission, the governor shall appoint a person duly qualified under this Act to fill the unexpired term.

Sec. 3. OATH: Each member of said board shall, before entering on the duties of his office, take the constitutional oath of office, and shall, in addition, make oath that he is a graduate in medicine and a legally qualified practitioner of medicine in this state.

Sec. 4. ORGANIZATION; MEETINGS: The said board shall meet in Carson City, Nevada, on the first Monday in May, 1905, and shall organize by electing from its number a president, vice-president, secretary and treasurer, who shall hold their respective positions during the pleasure of the board. Said board shall hold its regular meetings on the first Monday of May and the first Monday of November of each year, at such time and place as shall be most

convenient to said board, and due notice of all special meetings of the board shall be given by publication twice a week for each of the two weeks next preceding such meeting in three papers published in the state of Nevada. Special meetings of the board may be held at the call of the president, and the same notice thereof shall be given as in the case of regular meetings.

Sec. 5. RULES: Said board may, from time to time, adopt such rules as may be necessary to enable it to carry into effect the provisions of this Act. Any member of said board may administer oaths in all matters pertaining to the duties of said board, and the board shall have the authority to take evidence as to any matter cognizable by it. Such board shall procure a seal, and shall receive through its secretary applications for the certificates provided to be issued under this Act.

Sec. 6. QUORUM; RECIPROCITY: A majority of said board shall constitute a quorum to transact all business. All certificates issued by said board shall bear its seal and the signatures of its president and secretary, and shall authorize the person to whom it is issued to practice medicine in all its branches in this state, on complying with the requirements of this Act. Said board may, in its discretion, accept and register, on payment of the registration fee, and without examination of the applicant, any certificate which shall have been issued to him by the Medical Examining Board of the District of Columbia or of any state or territory of the United States; provided, however, that the legal requirements of such medical examining board shall have been, at the time of issuing such certificate, in no degree or particular less than those of Nevada at the time when such certificate shall be presented for registration to the board created by this Act; and provided, further, that the provisions in this paragraph contained shall be held to apply only to such of said medical examining board as accept and register the certificates granted by this board without examination by them of the ones holding such certificates.

Sec. 7. CERTIFICATE; AFFIDAVITS: After this law goes into effect any person desiring to practice medicine, surgery or obstetrics or any of the various branches of medicine in this state shall, before beginning to practice, procure from the State Board of Medical Examiners a certificate that such person is entitled to practice medicine, surgery or obstetrics in this state. In order to procure such certificate the applicant shall submit to the said board his or her diploma, issued by some legally chartered medical school, the requirements of which medical school shall have been at the time of granting such diploma in no particular less than those prescribed by the Association of American Medical Colleges for that year, and he must accompany said diploma or license with an affidavit setting forth the number and duration of terms the applicant was required to be in attendance, and that he is the lawful possessor of the same, that he is the person therein named, and that the diploma or license was procured without fraud or misrepresentation of any kind. Such application shall be accompanied by the affidavit of two freeholders, resident of the same county in which the applicant resides, stating that the applicant is the identical person named in the accompanying diploma, and that he or she is of good moral standing and reputable. In addition to such affidavit said board may hear such further evidence as, in its discretion, it may deem proper as to any of the matters embraced in said affidavit. If it should appear from such evidence that said affidavit is untrue in any particular, or if it

should appear that the applicant is not of good moral character, the application must be rejected. Said board shall retain such diploma such time as is necessary, but in no case shall said board retain such diploma to exceed two weeks. All such diplomas and affidavits shall be addressed to the secretary of the board.

Sec. 8. APPLICATIONS FOR LICENSES: Applicants for certificates to practice medicine, surgery or obstetrics in the state of Nevada shall be required to present a diploma from a legally recognized college, and to pass a satisfactory examination before the State Board of Medical Examiners as to his or her qualifications. The applicant must appear personally before the board, and the examination shall be conducted in the English language, and shall be, in whole or in part in writing, and in each branch shall obtain 75 per cent., and shall be on the following subjects, to-wit: Anatomy, physiology, materia medica and therapeutics, chemistry, bacteriology, pathology, toxicology, obstetrics, surgery, general medicine, diseases of the skin, eye, ear, nose, throat, brain, genito-urinary system. Said examination shall be fair and impartial and the questions of such character as will determine the fitness of the applicant to practice his or her profession. When applicant applies for examination in materia medica and therapeutics and theory and practice of medicine, he shall designate in which school of medicine he desires to practice, and only the member or members of the board who belong to the school so designated shall participate in this part of the examination.

Examinations shall be practical in character, and designed to discover the applicant's fitness to practice medicine and surgery. If an applicant fail in his first examination, he may, after not less than six months, be reexamined, without additional fee. If he fail in a second examination, he shall not thereafter be entitled to another examination in less than one year after the date of second examination, and shall be required to pay for such examination the full fee. The examination papers shall form a part of the records of said board, and shall be kept on file by the secretary, and said records shall be open to public inspection whenever requested after the examination; provided that any person who is a regular graduate from a regularly chartered college of the practice of the system of what is generally known and recognized as the drugless system, may present themselves for examination under the regulations hereinbefore specified, and shall be required to pass an examination in all the subjects noted, with the exception of materia medica and therapeutics, and upon the passing satisfactorily of said examination by the board, shall have issued to them a license to practice the said system of drugless medicine in this state, under the same rules and regulations prescribed and required of the practitioners of other systems of medicine.

Each applicant, on making application, shall pay to the secretary of the board a fee of \$25, at the same time the diploma and affidavit is filed with him, and this fee shall not be returned in the event of the applicant's failing to pass a satisfactory examination. Any person who may hereafter be granted a license to practice medicine and surgery in this state under this Act, upon the grounds of reciprocity with other states and without examination, shall pay a fee of \$25 for such license.

Sec. 9. APPEAL: Any unsuccessful applicant shall have the right to appeal to the courts, requiring the said board to show cause why such applicant should not be permitted to practice medicine, surgery or obstetrics in the state of Nevada.

**Sec. 10. RECORD OF CERTIFICATE:** Said board shall procure a book for the purpose of recording the names of all persons to whom is issued certificates. In this book shall be entered the names of the applicants, together with the name of the school granting the diploma, the date of the diploma, the number of terms the applicant attended school, residence of applicant, and the date of issuance of certificate. This book shall be retained by the secretary, who shall note the unsuccessful applicants, furnishing the same information as is given above. The secretary shall furnish each county clerk in this state a complete list of persons to whom certificates have been issued, after each meeting of the board. Such list shall be retained and filed by the county clerk, and it shall show the name, age and location of the holder of each certificate, together with the name of the institution conferring the degree and the date of the issuance of certificate.

**Sec. 11. EXPENSES OF BOARD:** The members of the board shall serve without compensation, except that their actual expenses incurred while attending a regular or special meeting of the board shall be refunded; provided, that the secretary shall receive a semi-annual salary of \$150 for his services. All moneys received by the board shall be paid out on its order for its expenses and the traveling expenses of the members, and if the moneys received are not sufficient to meet such expenses then the board shall certify to the Board of Examiners, with accompanying vouchers, over its seal and the signatures of its president and secretary, the amount actually necessary to meet the remainder of its expenses, and on the approval of said claim by the Board of Examiners the state controller shall draw his warrant on any moneys in the general fund not otherwise appropriated, and the state treasurer shall pay the same.

**Sec. 12. RECORDING OF CERTIFICATE; REFUSAL; REVOCATION:** Every person to whom the board shall issue a certificate shall present the same to the county recorder of the county in which he desires to practice and have the same recorded, and shall pay the fee usually paid for recording such papers. The board may refuse a certificate to any applicant guilty of unprofessional conduct, and may revoke any certificate for a like cause. In all cases of refusal or revocation the party aggrieved may appeal to the courts. The words "unprofessional conduct," as used in this Act, are hereby declared to mean:

First—The procuring or aiding or abetting in procuring a criminal abortion.

Second—The obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.

Third—The willfully betraying a professional secret.

Fourth—All advertising of medical business in which grossly improbable statements are made.

Fifth—All advertisements of any medicines, or of any means whereby the monthly periods of women can be regulated, or the menses reestablished if suppressed.

Sixth—Conviction of any offense involving moral turpitude.

Seventh—Habitual intemperance.

**Sec. 13. PRACTICE OF MEDICINE DEFINED:** For the purposes of this Act the words "practice of medicine, surgery and obstetrics" shall mean to open an office for such purpose, or to announce to the public or to any individual in any way a desire or willingness or readiness to treat the sick or afflicted in any county in the state of Nevada, or to investigate or diagnose or to offer to investigate or diagnose any physical or mental ailment, or disease of any person, or to give surgical assistance or to suggest, recommend, prescribe or direct for the use of any person any drug, medicine, appliance or other agency, whether material or not material, for the cure, relief or palliation of any ailment or disease of the mind or body, or for the cure or relief of any wound, fracture or bodily injury or deformity, after having received or with the intent of receiving

therefor, either directly or indirectly, any money, gift or any other form of compensation.

It shall also be regarded as practicing medicine within the meaning of this Act if anyone shall use in connection with his or her name the words or letters "Dr." "Doctor," "Professor," "M.D.," or "Healer," or any other title, word, letter or other designation intended to imply or designate him or her as a practitioner of medicine or surgery or obstetrics in any of its branches; provided, that nothing in this Act shall be construed to prohibit gratuitous services of druggists or other persons in cases of emergency, or the domestic administration of family remedies, and this Act shall not apply to commissioned surgeons of the United States Army or Navy in the discharge of their official duties, nor shall it apply to professional or other nurses in the discharge of their duties as nurses, nor to physicians who are called into this state for consultation and who are legally qualified to practice in the state where he or she resides. In charging any person in an affidavit, information or indictment with a violation of this Act by practicing medicine, surgery or obstetrics without a license, it shall be sufficient to charge that he or she did, on a certain day, and in a certain county of this state, engage in the practice of medicine, he or she not having a license to do so, without averring any further or more particular facts concerning the same.

**Sec. 14. VIOLATION; PENALTIES:** Any person who shall practice medicine, surgery or obstetrics in this state without first complying with the provisions of this Act shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than \$100 nor more than \$200, or by imprisonment in the county jail for not less than fifty days nor more than 180 days, or by both such fine and imprisonment for each and every such offense. Any person may institute proceedings at law provided for in this Act.

**Sec. 15. FALSE CLAIMS; PUNISHMENT:** Every person filing for record, or attempting to file for record, the certificate issued to another, falsely claiming himself to be the person entitled to the same, shall be guilty of felony, and, on conviction thereof, shall be punished by imprisonment in the state prison not less than one year nor exceeding five years.

**Sec. 16. FALSE CLAIM TO BOARD MEMBERSHIP; PENALTY:** Any person assuming to act as a member of a State Board of Medical Examiners, or who shall sign or subscribe or issue or cause to be issued, or seal or cause to be sealed, a certificate authorizing any person to practice medicine or surgery in this state, except the person so acting and doing shall have been appointed a member of said Board of Medical Examiners as in this Act provided, shall be guilty of a misdemeanor, and shall be punished by a fine of not less than \$100 nor more than \$500, or by imprisonment in the county jail for a term of not less than sixty nor more than 180 days, or by both such fine and imprisonment.

**Sec. 17. FEES; RECIPROCITY:** Every person practicing medicine, surgery or obstetrics in the state of Nevada on the first Monday of May, 1905, shall submit to the said board his or her diploma for registration, and a fee of \$25 shall accompany such diploma; provided, that the owner of such diploma shall, if he or she was practicing medicine, surgery or obstetrics prior to the passage of the Act approved March 15, 1899, and has not complied with said Act of March 15, 1899, pay a fee of \$5 for such registration, but such person shall submit to the board said diploma on the first Monday of May, 1905; provided, further, that all persons who have complied with the Act of March 15, 1899, shall be entitled to full registration by the said Board of Medical Examiners, and nothing in this Act shall be construed to prevent such registration, and the secretary of said board shall enter free of all charge on a record book of said board the names of all persons who have complied with the Act of March 15, 1899. And be it further provided, that a certifi-

cate of registration or license issued by the proper examining board of any state, which agrees on reciprocal registration with this state, may be accepted as evidence of qualification for reciprocal registration in this state; provided, that the holder of such certificate was at the time of such registration the legal possessor of a diploma issued by a medical college in good standing in this state, and that the date thereof was prior to the passage of this Act.

## STATE INSTITUTIONS

**Austin**  
Lander County Hospital, Austin, Nev. Established 1880; public and private; general; 8 beds; G. L. Belanger, M.D., physician in charge.

**Carson City**  
State Orphans' Home, Carson City, Nev. Established 1869; public; orphans and neglected children; 100 beds; Geo. W. Cowing, superintendent.  
State Penitentiary Hospital, Carson City, Nev. Donald Maclean, physician in charge.

**Reno**  
Nevada Hospital for Mental Diseases, Reno, Nev. Public; 300 beds; nervous and mental; John A. Lewis, physician and superintendent.

## HOSPITALS, SANATORIUMS AND CHARITABLE INSTITUTIONS

**Callente**  
Callente Hospital, Callente, Nev. Established 1911; public; general; 15 beds; J. Wesley Smith, physician in charge; Myrtle M. Ford, matron.

**Elko**  
Elko County Hospital, Elko, Nev. Established 1871; public; general; 40 beds; A. J. Wood and C. W. West, county physicians in charge; J. M. Taber, supt.

## Goldfield

Esmeralda County Hospital, Goldfield, Nev. Established 1905; public; 30 beds; E. A. Wheeler, physician in charge.  
St. Mary's Hospital, Goldfield, Nev. Established 1907; public; general; 50 beds; E. A. Wheeler, surgeon in charge.

**Hawthorne**  
Mineral County Hospital, Hawthorne, Nev. Public; 14 beds; F. C. Pache, physician in charge.

**Las Vegas**  
Las Vegas Hospital, Las Vegas, Nev. Established 1911; private; 12 beds; Henry H. Clark and R. W. Martin, physicians in charge.

**Manhattan**  
Miners' Union Hospital, Manhattan, Nev. Established 1905; 10 beds; Alexander McIntyre, physician in charge.

**Mason**  
Walker River Hospital, Mason, Nev. Established 1911; private; general; 10 beds; G. Knox, physician in charge; Mrs. F. Boykin, matron and head nurse.

**Pioche**  
Duckworth Hospital, Pioche, Nev. Established 1907; private; 25 beds; T. O. Duckworth, physician in charge.

## Reno

St. Mary's Hospital, Reno, Nev. Established 1908; private; 60 beds; Sister Eulalia, superintendent.

St. George's Hospital, Reno, Nev. Established 1907; private; 20 beds; Miss Francis O'Hara, superintendent.

Washoe County Hospital, Reno, Nev. Public; 60 beds; S. K. Morrison and S. C. Gibson, physicians in charge.

## Sparks

Southern Pacific Company's Emergency Hospital, Sparks, Nev. Established 1905; private; 3 beds; for employees only; J. A. Ascher, visiting physician.

## Tonopah

Miners' Union Hospital, Tonopah, Nev. Established 1903; private; general; 24 beds; Josephine Warner, matron.

Nye County Hospital, Tonopah, Nev. Established 1902; public; 24 beds; C. J. Richards, physician in charge.

## Virginia City

Storey County Hospital, Virginia City, Nev. Public; 50 beds; F. W. Hodgins, physician in charge.

## Winnemucca

Humboldt County Hospital, Winnemucca, Nev. Established 1908; public; 20 beds; E. D. Giroux, physician in charge; W. L. Wilkinson, superintendent.

## PHYSICIANS OF NEVADA

## KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN⊕).

(b'75) Year of birth. [medic. H, homeopath; E, eclectic; P-M, physio-M.d.'79, College and year of graduation.

∅ Information received does not show graduation.

(l'89) Year of license.

(S) In practice before passage of present law and licensed by filing diploma or by years of practice.

(lt) Licensed but year not known.

(S) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.R.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(Al,3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

## SPECIALTIES ARE INDICATED AS FOLLOWS:

ALR.—Aurist, Laryngologist, Rhinologist.  
OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.

U.—Urologist.

D.—Dermatologist.

Pd.—Pediatrist.

N.—Neurologist.

P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.

I.—Internist.

T.—Tuberculothrapist.

Anes.—Anesthetist.

LD.—Laboratory Diagnostician. [gist.

R.—Actinologist, Radiologist, Roentgenolo-

Path.—Pathologist.

Bact.—Bacteriologist.

S.—Surgeon.

Ob.—Obstetrician.

ObG.—Obstetrician, Gynecologist.

G.—Gynecologist.

Or.—Orthopedist.

Pr.—Proctologist.

Op.—Ophthalmologist.

A.—Aurist.

LR.—Laryngologist, Rhinologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF NEW HAMPSHIRE

### An Act

To regulate the Licensing and Registration of Physicians and Surgeons

Be it enacted by the Senate and House of Representatives in General Court convened:

Section 1. PRACTITIONERS MUST REGISTER: No person shall hold himself out to the public as a physician and surgeon, or advertise as such, or use the title of M.D. or Dr. (or any title which shall show or tend to show that the person using the same is a practitioner of any of the branches of medicine) in New Hampshire after Sept. 1, 1897, unless previously registered and authorized, or unless licensed and registered as required by this chapter; nor shall any person practice medicine and surgery whose authority to practice is suspended or revoked by the regent of a state board.

Sec. 2. BOARD OF EXAMINERS: Within sixty days after the passage of this Act the governor and council shall appoint three separate State Boards of Medical Examiners, of five members each, so appointed that the term of office of one member shall expire each year, and the members thereafter appointed shall hold office five years, or until their successors are appointed and qualified. One board shall represent the New Hampshire Medical Society, one the New Hampshire Homeopathic Medical Society, and one the New Hampshire Eclectic Society. Each of these three societies shall nominate, annually, twice the number of examiners to be appointed in that year on the board representing it. The names of such nominees shall be annually transmitted, under seal, by the president and secretary to the governor and council, who shall appoint from such lists the examiners required to form the boards and to fill any vacancy that may occur from expiration of office or otherwise. Each nominee, before appointment, shall furnish to the governor and council satisfactory proof that he has received the degree of doctor of medicine from some registered medical school, and that he has legally practiced medicine in this state for at least five years. If no nominees are presented from a society to the governor and council they may appoint from members in good standing in such society without restriction. The governor and council, on recommendation of the board, may remove any examiner for misconduct, incapacity or neglect of duty.

Sec. 3. COMMISSION OF APPOINTMENT; OATH OF OFFICE: Every medical examiner shall receive a commission of appointment from the state, and before beginning his term of office shall file with the secretary of state the constitutional oath of office. Each board, or member thereof, may take testimony and proofs concerning all matters within its jurisdiction. Each board may make any by-laws and rules, not inconsistent with law, necessary in performing its duties.

Sec. 4. REGENT OF BOARD: The superintendent of public instruction, ex-officio, shall be the regent of the State Boards of

Medical Examiners and shall perform such duties as are herein specified.

Sec. 5. NO COMPENSATION: From the fees provided by this Act the regent may pay all proper expenses incurred by its provisions, except compensation to medical examiners; and any surplus at the end of any year shall be apportioned equally among the three boards; and the state shall not pay the expenses of said boards, or either of them, or compensate them, or either of them, for services rendered under their commissions.

Sec. 6. ANNUAL ORGANIZATION: Each board shall annually elect from its members a president and a secretary for the year, and shall hold one or more meetings each year, pursuant to the call of the regent, who may also call joint meetings of the three boards or of their officers. At any meeting a majority shall constitute a quorum, but questions prepared by the boards may be grouped and edited, or answer papers of candidates may be examined and marked by committees only authorized by the boards.

Sec. 7. QUALIFICATIONS FOR EXAMINATION: The regent shall admit to examination any candidate who pays a fee of \$10 and submits satisfactory evidence, verified by oath, if required, that he

1. Is more than 21 years of age.
2. Is of good moral character.
3. Has graduated from a registered college; or satisfactorily completed a full course in a registered academy or high school; or had a preliminary education considered and accepted by the regent as fully equivalent.

4. Has studied medicine not less than four full school years, of at least nine months each, including four satisfactory courses, of at least six months each, in four different calendar years, in a medical college registered as maintaining at the time a satisfactory standard. The regent shall accept, as the equivalent for any part of the third and fourth requirements, evidence of five or more years reputable practice, provided that such substitution be specified in the license.

5. Has either received the degree of bachelor or doctor of medicine from some registered medical school, or a diploma or license conferring full right to practice medicine in some foreign country.

Students who matriculate in a New Hampshire medical school before Jan. 1, 1898, on the prescribed study of medicine, shall be exempt from this preliminary education requirement.

Sec. 8. EXAMINATION QUESTIONS: Each board shall submit to the regent, as required, lists of suitable questions for thorough examinations in anatomy, physiology and hygiene, chemistry, surgery, obstetrics, pathology and diagnosis, and therapeutics, including practice and materia medica. From these lists the regent shall prepare question papers for all these subjects, which at any examination shall be the same for all candidates, except that in therapeutics, practice, and materia medica all the questions submitted to any candidate shall be chosen from those prepared by the board selected by that candidate and shall be in harmony with the tenets of that school, as determined by its State Board of Medical Examiners.

Sec. 9. EXAMINATIONS SEMI-ANNUALLY: Examinations for licenses shall be given at Concord, in this state, and at least twice annually, and shall be exclusively in writing and in English. Each examination shall be conducted by the regent or a competent examiner appointed by him, who shall not be one of the medical examiners. At the close of each examination the regent or

examiner in charge shall deliver the questions and answer papers to the board selected by each candidate, or to its duly authorized committee, and such board, without unnecessary delay, shall examine and mark answers and transmit to the regent an official report, signed by its president and secretary, stating the standing of each candidate in each branch, his general average, and whether the board recommends that a license be granted. Such report shall include the questions and answers and shall be filed in the public records of the regent. If a candidate fails on first examination he may, after not less than six months further study, have a second examination without fee. If the failure is from illness or other cause satisfactory to the boards they may waive the required six months study.

Sec. 10. LICENSE; RECIPROCITY; FEE; LICENSE TO BE RECORDED: On receiving from a state board an official report that an applicant has successfully passed the examinations and is recommended for license, the regent shall issue to him a license to practice medicine. Every license shall be issued by the regent under seal, and shall be signed by each acting medical examiner of the board selected, and by the regent, and shall state that the licensee has given satisfactory evidence of fitness as to age, character, preliminary and medical education, and all other matters required by law, and that after full examination he has been found properly qualified to practice. Applicants examined and licensed by other state examining boards registered by the regent as maintaining standards not lower than those provided by this chapter, and applicants who matriculate in a New Hampshire medical school before Jan. 1, 1898, and who receive the degree M.D. Jan. 1, 1903, may, without further examination, on payment of \$5 to the regent and on submitting such evidence as may be required, receive an endorsement of their licenses or diplomas conferring all rights and privileges of a regent license issued after examination.

Before any license is issued it shall be numbered and recorded in a book kept in the regent's office and its number shall be noted in the license. This record shall be open to public inspection, and in all legal proceedings shall have the same weight as evidence that is given to a record of conveyance of land.

Sec. 11. TO WHOM NOT APPLIED: (As amended by Chapter 1 of the Session Laws of 1903.) This chapter shall not be construed to affect commissioned medical officers serving in the United States Army, Navy, or Public Health Service, while so commissioned; or any one while actually serving on the resident medical staff of any legally incorporated hospital; or any legally registered dentist exclusively engaged in practicing dentistry; or any manufacturer of artificial eyes, limbs or orthopedic instruments or trusses in fitting such instruments on persons in need thereof; or any lawfully qualified physician in other states or countries meeting legally registered physicians in this state in consultation; or any physician residing on a border of a neighboring state and duly authorized under the laws thereof to practice medicine therein, whose practice extends into this state, and who does not open an office or appoint a place to meet patients or receive calls within this state; or to the regular or family physicians of persons not residents of this state, when called to attend them during a temporary stay in the state, neither shall the provisions of this Act apply to clairvoyants or to persons practicing hypnotism, magnetic healing, mind cure, massage, Christian Science, so-called, or any other method of healing if

no drugs are employed or surgical operations are performed; provided, such persons do not violate any of the provisions of this Act in relation to the use of M.D. or the title of doctor or physician.

**Sec. 12. FALSE CLAIMS; FRAUDULENT REPRESENTATION; PUNISHMENT:** Any person who, not being then lawfully authorized to practice medicine within this state and so registered according to law, shall hold himself out to the public as a physician and surgeon, or advertise as such, within this state, without lawful registration or in violation of any provisions of this chapter; and any person who shall buy, sell or fraudulently obtain any medical diploma, license, record or registration, or who shall aid or abet such buying, selling or fraudulently obtaining, or who shall practice medicine under cover of any medical diploma, license, record or registration illegally obtained or signed or issued unlawfully, or under fraudulent representations or mistake of fact in a material regard; and any person who shall append the letters M.D. to his or her name; or shall assume or advertise the title of doctor (or any title which shall show or tend to show that the person assuming or advertising the same is a practitioner of any of the branches of medicine) in such a manner as to convey the impression that he or she is a legal practitioner of medicine, or of any of its branches, without having legally received the medical degree, or without having received a license which constituted at the time an authority to practice medicine under the laws of this state then in force, shall be guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not more than \$100 or imprisonment for three months for the first offense; and on conviction of any subsequent offense, by a fine of not more than \$250 or imprisonment for not less than six months, or by both fine and imprisonment.

**Sec. 13. REGISTRATION OF CERTIFICATE; FEE:** Every person who is a practitioner of medicine and surgery in this state prior to the passage of this Act shall be, on satisfactory proof thereof to the regent and on the payment of a fee of \$1, entitled to registration; and the said regent shall issue to him a certificate signed by himself and the chairman and secretary of such Board of Medical Examiners as the applicant may elect; and said certificate shall state the facts and the cause of said registration, and shall entitle the said person to practice medicine legally in the state of New Hampshire.

**Sec. 14. MEETINGS OF BOARD; RECIPROCITY:** The first meeting of the board may be called by any one of its members by a notice in writing, stating the time and place of meeting, sent by mail to each of the other members at least one week prior thereto. Any legal practitioner of medicine and surgery in any other state or territory, which will grant to physicians and surgeons registered in this state similar privileges, shall be admitted to practice medicine and surgery in this state by paying the usual fee of \$10 and presenting to the boards of medical examiners a satisfactory diploma from some medical school, a certificate of registration, or license to practice medicine, from the state or territory from which he comes, and evidence satisfactory to said boards of examiners of his professional standing.

Act effective Sept. 1, 1897.

and keys to the various colleges inside front cover.

## PHYSICIANS OF NEW HAMPSHIRE

## KEY TO ABBREVIATIONS, SYMBOLS, ETC.

Names in capitals signify membership in the County Society and State Association. (DOE, JOHN).

⊕ Indicates Fellowship in the American Med. Assn. (DOE, JOHN⊕).

(b'75) Year of birth. [medl. H, homeopath; E, eclectic; P-M, physio-Md.7,'09, College and year of graduation.

◇ Information received does not show graduation.

(1'89) Year of license.

(2) In practice before passage of present law and licensed by filing diploma or by years of practice.

(1†) Licensed but year not known.

(3) Information received does not show license.

U.S.A., United States Army.

M.R.C., U.S.A., Medical Reserve Corps.

U.S.N., United States Navy.

M.R.C., U.S.N., Medical Reserve Corps.

U.S.P.H.S., United States Public Health Service.

College positions held are indicated by abbreviated title of position, followed by key number of college. For key to colleges see inside front cover page.

(A1,3, B6, C4) Membership in special Societies. (See Key Table, page 122.)

## SPECIALTIES ARE INDICATED AS FOLLOWS:

S.—Surgeon.  
Ob.—Obstetrician.  
ObG.—Obstetrician, Gynecologist.  
G.—Gynecologist.  
Or.—Orthopedist.  
Pr.—Proctologist.  
Op.—Ophthalmologist.  
A.—Aurist.  
LR.—Laryngologist, Rhinologist.

ALR.—Aurist, Laryngologist, Rhinologist.  
OALR.—Ophthalmologist, Aurist, Laryngologist, Rhinologist.  
U.—Urologist.  
D.—Dermatologist.  
Pd.—Pediatrist.  
N.—Neurologist.  
P.—Psychiatrist.

NP.—Neurologist, Psychiatrist.  
I.—Internist.  
T.—Tuberculothorapist.  
Anes.—Anesthetist.  
LD.—Laboratory Diagnostician. [glt.  
R.—Actinologist, Radiologist, Roentgenology-Path.—Pathologist.  
Bact.—Bacteriologist.

WHEN THE ABBREVIATION REPRESENTING A SPECIALTY IS FOLLOWED BY AN ASTERISK (\*) IT INDICATES THAT THE PHYSICIAN CLAIMS HIS PRACTICE IS LIMITED TO THAT PARTICULAR BRANCH OF MEDICINE; WITHOUT THE ASTERISK, THAT HE IS ESPECIALLY INTERESTED IN, BUT DOES NOT LIMIT HIS PRACTICE TO, THAT BRANCH. THIS INFORMATION CONCERNING SPECIALTY IS BASED ON PERSONAL DATA FURNISHED BY THE PHYSICIAN AND IS NOT VERIFIABLE.

## MEDICAL PRACTICE LAW OF NEW JERSEY

### An Act

To regulate the practice of medicine and surgery, to license physicians and surgeons, and to punish persons violating the provisions thereof.

[Approved May 22, 1894. Chapter 306.]

Amended as to the third, fourth and ninth Sections, and approved April 8, 1903, Chapter 228.

Section 1. **APPOINTMENT OF BOARD; TERMS:** Be it enacted by the senate and general assembly of the state of New Jersey, That the governor shall appoint, by and with the advice and consent of the senate, a board of examiners to be known as the State Board of Medical Examiners, said board to consist of nine members, who shall be persons of recognized professional ability and honor; the terms of office of said board shall be three years, or until their successors are appointed; provided, however, that the members of the board first appointed shall be divided into three classes, each class to consist of three persons; the first class shall hold office under said appointment for one year, the second for two years and the third for three years from the date of their appointment, and thereafter each member shall be appointed for a term of three years; and provided, further, that said board shall consist of five old-school physicians, three homeopathic and one eclectic; said appointees shall, within thirty days after the receipt of the respective commissions, take, subscribe and file in the office of the secretary of state, the oath or affirmation prescribed by law.

Sec. 2. **ORGANIZATION:** And be it enacted, That said board shall elect a president, a secretary and a treasurer from its membership; it shall have a common seal, and its president shall be empowered to issue subpoenas and to administer oaths in taking testimony in any matter pertaining to the duties of said board; it shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the laws of this state or of the United States, whereby to perform the duties and to transact the business required under the provisions of this Act.

Sec. 3. **MEETINGS; REGISTER OF APPLICANTS:** And be it enacted, That said board shall hold meetings for examinations at the capitol building of this state on the third Tuesday of June and October of each year, and at such other times and places as the board may deem expedient; said board shall keep an official record of all its meetings and an official register of all applicants for a license to practice medicine and surgery in this state; said register shall show the name, age, nativity, last and intended place of residence, of each candidate, the time he or she has spent in obtaining a competent academic education, as herein-after provided, and in medical study, in or out of medical school, and the names and location of all medical schools or examining and licensing boards which have

granted said applicant any degree or certificate of attendance on lectures on medicine and surgery or state examinations; said register shall also show whether said applicant was examined, licensed or rejected under this act, and said register shall be prima facie evidence of all matters therein contained.

Sec. 4. **APPLICATIONS FOR EXAMINATION; QUALIFICATIONS; FEES:** All persons hereafter commencing the practice of medicine or surgery in any of its branches in this state shall apply to said board for license so to do. Said board shall, except as herein otherwise provided, examine all qualified applicants for license to practice medicine or surgery in accordance with the provisions of this Act. Every applicant for examination shall present to the secretary of said board, at least ten days before the commencement of the examination at which he or she desires to be examined, a written application for admission to such examination on a form or forms provided by said board, together with satisfactory proof that the applicant is more than twenty-one years of age and of good moral character. Such applicant shall also present to said board a certificate from the commissioner of education of this state, showing that before entering a medical college he or she had obtained an academic education consisting of a four years' course of study in an approved public or private high school or the equivalent thereof.

Every applicant for admission to examination for a license to practice medicine or surgery shall, in addition to the above requirements, prove to said board that he has received a diploma conferring the degree of doctor of medicine from some legally incorporated medical college of the United States, which college, in the opinion of said board, was in good standing at the time of the issuance of said diploma, or a diploma or license conferring the full right to practice all of the branches of medicine and surgery in some foreign country, and further prove that prior to the receipt of such diploma from any such medical college of the United States, or such diploma or license conferring the right to practice medicine and surgery, as aforesaid, he had studied medicine not less than four full school years, including four satisfactory courses of lectures of at least seven months each, in four different calendar years in some legally incorporated and registered American or foreign medical college or colleges in good standing in the opinion of said board; provided, however, that candidates for license to practice medicine or surgery who were graduated from an approved medical college prior to July 4, 1903, and have been in continuous and reputable practice of medicine for at least five years since graduation, may be admitted to the examination of said board upon the submission of satisfactory evidence of good moral character, and of the fact that such applicant has completed three courses of medical lectures in an approved medical college in different calendar years, and has obtained a competent academic education according to the standard at that time as determined in the case of non-graduates of academic institutions by the commissioner of education of this state; provided, however, that the records of the board and such license shall state that such license was issued to any such applicant under the first exemption contained in this section.

It is further provided that candidates for license to practice medicine or surgery who were graduated from an approved medical college prior to July 4, 1894, and have been in continuous and reputable practice of

medicine since graduation, may be admitted to such examination of this board upon the submission of satisfactory evidence of good moral character, and of two courses of medical lectures in an approved medical college in different calendar years, and of the fact that such applicant has obtained a competent academic education according to the standard at that time as determined in the case of non-graduates of academic institutions by the commissioner of education of this state, it being further provided, however, that the records of such board and such license shall state that any such applicant was licensed under the second exemption contained in this section.

Upon the approval of the application for examination, such applicant shall deposit with the treasurer of said board the sum of \$25 as an examination fee, and shall thereupon be entitled to admission to such examination. In case said applicant fails to pass the examination, he may be reexamined at the next regular examination held by said board without the payment of an additional fee. Each applicant shall sign his or her name opposite a number in a book kept for that purpose by the secretary of said board and shall mark his or her examination paper with said number, and shall be known to the members of said board only by said number until his or her papers have been examined and marked. Any applicant for license to practice medicine or surgery, upon proving to the satisfaction of said board that he is of good moral character, and that he has been examined and licensed by the examining and licensing board of another state of the United States, and that the standard of requirements for licenses to practice medicine or surgery in the state where such license was granted were at the time of the granting of such license substantially the same as the standard of requirements for said licenses in force in this state at the time of said application, and upon filing with the secretary of said board a copy of his license or certificate, verified as a true copy by the affidavit of the secretary of the board granting such license, may, in the discretion of the said Board of Medical Examiners of this state, be granted a license to practice medicine and surgery without further examination upon the payment to the treasurer of said board of a license fee of \$50. In any such application for a license without examination, all questions of academic requirements of other states shall be determined by the commissioner of education of this state.

Sec. 5. **EXAMINATIONS:** And be it enacted, That all examinations shall be written in the English language, and the questions and answers shall be, except in materia medica and therapeutics, such as can be answered in common by all schools of practice; if the applicant intends to practice homeopathy or eclecticism, the members of said board of those schools respectively shall examine said applicant in the materia medica and therapeutics of the school in which such applicant intends to practice; the examinations shall be in the following subjects, namely, materia medica and therapeutics; obstetrics and gynecology; practice of medicine, including diseases of the skin, nose and throat; surgery, including surgical anatomy and diseases of the eye, ear and genito-urinary organs; anatomy, physiology, chemistry, histology, pathology, bacteriology, hygiene, medical jurisprudence, and in such other subjects as the board may decide; all examinations shall be both scientific and practical, and of sufficient severity to test the candidate's fitness to practice medicine and surgery; if said examination is satisfactory, the board shall issue a license, en-

titling the applicant to practice medicine and surgery in this state; the votes of all examiners shall be yes or no, and written with their signatures upon the backs of the examination papers of each candidate; said application and examination papers shall be deposited in the state library, in the capitol building, and they shall be prima facie evidence of all matters therein contained; all licenses shall be signed by the president and secretary of the board, and shall be attested by the seal thereof.

**Sec. 6. REFUSAL; REVOCATION:** That the board may refuse to grant or may revoke a license for the following causes, to-wit: chronic and persistent inebriety, the practice of criminal abortion, conviction of crime involving moral turpitude or for publicly advertising special ability to treat or cure chronic or incurable diseases; or where any person shall present to this board any diploma, license or certificate that shall have been illegally obtained, or that shall have been signed or issued unlawfully or under fraudulent representations; in complaints for violating the provisions of this section, the accused person shall be furnished with a copy of the complaint, and given a hearing before said board in person or by attorney, and any person, after such refusal or revocation of license, who shall attempt or continue the practice of medicine, shall be subject to the penalties hereinafter prescribed.

**Sec. 7. LICENSES FILED; FEES; ANNUAL LIST:** And be it enacted, That the person so receiving said license shall file the same, or a certified copy thereof, with the clerk of the county in which he or she resides, and said clerk shall file said certificate or copy thereof and enter a memorandum thereof, giving the date of said license, with the name of the person to whom the same is issued, and the date of said filing, in a book to be provided by this board and to be kept for that purpose, and for which registry the said county clerk shall be entitled to demand and receive from each person registering the sum of \$1; in case the person so licensed shall move into another county of this state, he or she shall procure from the said clerk a certified copy of such registration and then file the same with the clerk of the county to which he or she shall remove, and the said clerk shall file and enter the same with like effect as if the same was an original license, and for which registry the said clerk shall be entitled to demand and receive the sum of \$1, and each county clerk in the counties of this state shall, upon the last day of November of each year, furnish to the secretary of said board a list of all the certificates of this board filed in his office during the previous year, and upon notice to him of the change of location or death of the person so licensed, or of the revocation of said license, said county clerk shall enter at the appropriate place in the records so kept by him a memorandum of said fact, and said memorandum shall be furnished to the secretary of this board in the annual report above required.

**Sec. 8. PRACTICE OF MEDICINE DEFINED:** And be it enacted, That any person shall be regarded as practicing medicine or surgery within the meaning of this Act who shall use the words or letters "Dr.," "Doctor," "Professor," "M.D.," or "M.B.," in connection with his or her name, or any other title intending to imply or designate him or her as a practitioner of medicine or surgery in any of its branches, and who in connection with such title or titles or without the use of such titles, shall prescribe, direct, recommend, advise, apply, give or sell, for the use of any person or persons, any drug or medicine or other agency or application for the treatment, cure or relief of any bodily injury, infirmity or disease; and it is further provided, that the use of any one of the aforementioned titles or the exposure of a sign, circular, advertisement or any other device or information, indicating thereby the occupation of the person or persons, shall be considered prima facie evi-

dence; and it is further provided, that the provisions of this act shall apply to all persons professing and attempting to cure diseases by means of the so-called systems of "faith-curlism," "mind-healing," "laying-on-of-hands" and other similar systems.

**Sec. 9. TO WHOM NOT APPLIED:** And be it enacted, That this Act shall not apply to the commissioned surgeons of the United States Army, Navy or Public Health Service while so commissioned, or to lawfully qualified physicians or surgeons residing in other states meeting registered physicians and surgeons of this state in consultation, or to any legally qualified physician or surgeon of another state taking charge of the practice of a legally qualified physician or surgeon of this state temporarily during the latter's absence therefrom and upon the written requests to said board thereof, or to any physician or surgeon of another state, and duly authorized under the laws thereof, to practice medicine and surgery therein; provided, that such practitioner shall not open an office or a place for the practice of his profession within the borders of this state; or to anyone while actually serving as a member of the resident medical staff of any legally incorporated charitable or municipal hospital or asylum, or to any legally qualified and registered dentist exclusively engaged in practicing the art of dentistry, or to any person claiming the right to practice medicine and surgery in this state who has been practicing therein since before the fourth day of July, 1890; provided, said right or title was obtained upon a duly registered diploma, of which the holder and applicant was the lawful possessor, issued by a legally chartered medical institution which, in the opinion of said board, was in good standing at the time said diploma was issued; or to any person resident of this state who has been continuously engaged in giving treatment by electricity herein during the past fourteen years; provided, that said person has graduated from a legally incorporated electrotherapeutic school in good standing, or to any legally licensed and registered pharmacist of this state actually engaged in the practice of his profession, but this exception shall not be extended so as to give said licensed pharmacist the right and authority to carry on the business of a dispensary, unless said dispensary shall be in charge of a legally licensed and registered physician and surgeon of this state; or to any legally licensed and registered veterinary physician, surgeon or dentist of this state engaged in the practice of veterinary medicine, surgery or dentistry in any of its branches; or to any professional nurse, masseur or electrician, operating in each particular case under the specific direction of a regularly licensed physician or surgeon; or to any person or persons giving aid, assistance or relief in emergency or accident cases pending the arrival of a regularly licensed physician and surgeon.

**Sec. 10. VIOLATION; PENALTIES:** And be it enacted, That any person hereafter commencing or continuing the practice of medicine and surgery in any of its branches in this state without first having obtained and filed the license herein provided for or contrary to the provisions of this Act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished for the first offense by a fine of not less than \$100 or by imprisonment in the county jail for a period of not less than thirty days or by both such fine and imprisonment, and for each subsequent offense the punishment shall be double that of the preceding one; and it shall be the duty of the respective district attorneys of the counties of this state to prosecute violations of the provisions of this Act.

**Sec. 11. EXPENSES; COMPENSATION:** And be it enacted, That the expenses of said board and of the examination shall be paid from the license fees above provided for, and if any surplus remain, the same may be distributed among the members of said board as a compensation for their services

as members, but otherwise they shall receive no compensation whatever.

**Sec. 12.** And be it enacted, That all acts or parts of acts, general or special, now existing, not in accordance with the provisions of this act, or inconsistent therewith, are hereby repealed.

Approved May 22, 1894.

Amended as to Sections 3, 4 and 9 and approved April 8, 1903.

Amended as to Sections 4 and 6 and approved March 21 and 25, 1912.
